HUSBAND DISCOVERS WIFE SHOT DEAD IN HER BED.

Buffalo Brakeman Returned Home to Find His Young Wife Murdered in His Absence.

Buffalo, Nov. 12.—With a bullet wound in her right temple, her right arm extended as though to warn off threat ened danger, Mrs. Katherine Gaiser, a really beautiful young woman, was found dead in her bed at Ne. 375 Wil-Ham street at half-past six o'clock yee-terday by her husband, Frederick C. Gaiser. The police are holding the hus-band at the William street station as a witness. At the same time they are looking for a man described as five feet to inside to the totage the totage to the totage totage to the totage totage totage totage to the totage tot alx inches tall, light of complexion, and

wearing a dark suit and overcoat, as the murderer of the woman.

The suspect was seen during the morning hours yesterday loitering around the door of the large flethouse in which Mrs. Gaiser lived, and during the afternoon at Elliott and Dodge streets. Suspicion has been directed toward him because it is known that he was well acquainted with Mrs. Gaiser and visited her during the day, when her husband, who is a brakeman on the New York Central, was at work.

Following upon the heels of the strangling of Daisy H. Stauch in an Ellicott street house and the as-sassination of Alexander Young, the crime caused unwonted activity in po-lice circles. Duerr, whose beat includes the intersection of William and Jeffer-son streets, near which the Gaiser the intersection of William and Jetter-son streets, near which the Gaiser Mrs. Gaiser's brother had a complete home is situated, was called into the building by Dr. Herman B. Galser had lett the house at 6.30 yesterday morning to go to work, leaving his wife and her brother, Charles Bergin, who lived with them. Bergin, who is also a brakeman, left the house at 9.30. This is certain, for he is well known and popular in the neighborhood, and was seen by a dozen different persons. When the husband returned at half-

past six in the evening, he went through a covered passageway on the Jefferson street side of the building, leading to the rear stairs. He ascended the stairs and tried to enter the door leading from a balcony into his home, but found it locked. Then he tried the window of the bedroom, but that, too, was tightly closed. So he descended the stairs, and entering the front door, opened the door leading to his flat. Going into the kitchen he placed his empty dinner pail in the sink and went through a door into the dark bedroom. Lighting the gas, he looked down on the

In support of this defence, Mr. Gould's attorneys wished to take the testimony of Miss Helen Mar, of Loudon, England, who has appeared on the stage and is known as a public reader.
