Extra Value in a Special \$15.00 Winter Overcoat

Has all the appearance of a Fur-Lined Coat, but is minus the Fur Lining, though it has a Fur Collar

THESE Overcoats are made of a fine black English Beaver Cloth, in close, smooth finish, cut long and loose, with fur collar attached of German Otter, in shawl shape. Lined with heavy quilted Italian cloth and Mohair sleeve linings. Made double-breasted, and fastened with barrel buttons and frog fasteners. This garment has all the appearance and style of a fur-lined coat, at the same time being much lighter in weight and equally as warm, for about one-quarter the price, sizes 35 to 44, as cut **\$15.00**
