BOVEY COMMISSION

The University administration has established a committee to deal with the Ontario Government's Commission on the Future Development of the Universities of Ontario. The Bovey Commission will be issuing a Discussion paper in the summer and will be welcoming briefs thereafter. It must make its Final Report to the Government by November 15, 1984.

The University Committee intends to present a brief to the Commission and welcomes any input from the University community. I am CYSF's liaison to this University committee; therefore, any person or group on campus who would like more information on the Bovey Commission or on how to approach the University Committee is encouraged to contact me at CYSF (667-2515).
