Regina June 15 1885

Sir

I have the honor to acknowledge the receipt of your letter

n^o 10836 of the 8th instant enclosing copy of a Petition from certain residents in Battleford praying that the Indian Agency be not removed from that point.

In reply I would beg to draw your attention to my letter to the Department of 20th June 1884, n^o 589, where I expressed my opinion that it would be well to have more than one Agency in the Battleford district, this further division of the district will I think meet all
