Uplands, Ontario	14-5-41 (Cont'd)		Unit for Service Flying Training Schools. For this reason it would seem essential that recognition should be given by A.F.H.Q. to the Establishment on this Station which should be increased in some departments to take care of the additional work imposed on it because of the experiments being carried out. Night flying commenced at 2030 hours and continued until 0400 hours 15-5-41.	
	15-5-41		Flying commenced as usual at 0800 hours. Weather was clear and bright and warm. The parades have been eliminated with the exception of the 1700 - 1800 hour drill and the Station returned to its normal routine and flying hours have again assumed average proportions. At approximately 1045 hours Wing Commander H.R. Stewart visited the Station, representing the Minister of National Defence for Air upon the occasion of the visit at 1100 hours today of the High Commissioner for Great Britain for Canada, the right Honourable Malcolm MacDonald. At a few minutes past 1100 hours, the right Honourable Malcolm MacDonald arrived on the Station having with him Group Captain G.G. Banting of the United Kingdom Air Liaison and accompanied by the Commanding Officer visited the Control Tower to observe flying operations. He stayed until approximately 1230 hours and was very interested and impressed with this Unit's contribution to the Joint Air Training Plan. Night flying was carried out until 0430 hrs. 16-5-41.
