RE SERVICE TO MAGDALEN ISLANDS.

Dear Mr. King:-

With further reference to my letter to you of yesterday's date, I beg to advise receipt of a telegram at the Department at noon today from the Master of the "MONTCALM" reading:-

"8.30 a.m. in about same position as yesterday. Tried this morning but could make no progress, strong south west wind today. Expect open later. "

Yours very truly,

C. C. Ballantyne

Hon. W. L. Mackenzie King,
