

096601

Hon. R. B. Bennett - 2.

socially and otherwise is now on a high plane in Canada and their importance to Canada is only second to the agricultural affairs which might be regarded today as equally speculative.

Surely therefore, you who are leading in so many helpful ways might now quite justifiably give a desirable impetus to this thought throughout the world.

I am, sir,

Yours faithfully,

ED-fa.
Enclosure.
