Ottawa, September 18, 1909

Sir,

Referring to official letter of the 11th inst.
I beg to say that I am sending you herewith further
details in connection with the addition to St. Joseph's
convent.

The Architect will have the remaining details
ready early next week, but he would like to be supplied
with a rough detail of the cornice on the old building,
so that he can make a drawing of the new cornice to
conform with it, which you will be good enough to send
to the Department.

Your obedient Servant,

Secretary.

D. Chene, Esq., C.E.,
