

"THE CURRENT."

BY EDGAR L. WAKEMAN.

Publication Office: ADAMS EXPRESS BUILDING, CHICAGO, U. S. A. European Office: 26, BOULEVARD DES CAPUCINES, PARIS, FRANCE.

The Weekly Literary, News & Family Journal OF OUR TIME.

Over 2000 of the best American and European newspapers have unqualifiedly pronounced it the finest literary, family and news journal extant. Its tone and character, presenting a vast variety of fascinating literature from the most eminent writers of the world, giving terse and able editorial comment upon all topics of human interest, it is yet a model of beauty and brevity, and does, every week, what the pretentious magazines do once a month.

The subscription price is invariably \$4.00 in advance; 6 months, \$6.00; Copy, 10 cts.; Bound Vol., \$5.00. There is an enormous demand for back numbers, owing to their extraordinary present and increasing value, for book salesmen. To provide for this, subscriptions may begin at any number, past or future, at no increase of price; on the year's subscription may date from any number, and back numbers (as well as sample copies) will be supplied at cost.
