Don't Buy Seed Corn

of doubtful germination qualities. Our Golden Glow corn was dried in furnace heat. Almost 100% grows. Keep for 10 days and test it. Money back if not satisfied. \$8.00 per bushel shelled. Spruce Row Farm, Route No. 2, Sarnia, Ont.

Fencing? Yes, but what kind?

The farmer who thoroughly examines the relative merits of the various brands of wire fences offered to him will not have any difficulty about deciding upon the one he ought to have. Let him decide by that most unerring of all tests—weight. Why judge by weight? Because weight means strength, and strength means durability and long life. Of the different makes of wire fences, there must naturally be one that will weigh heavier than the rest.

The heavy-weight among fences is the "Ideal"

The reason is that all the wires are full gauge No. 9 hard steel wire; every wire is full of life and strength, and heavily galvanized to properly protect and preserve that strength. You therefore get longer service from "Ideal"—most for your money in strength, durability and all-round satisfaction.

Ideal Fence

It is to your interest before buying fencing to get a copy of our catalogue; a postal will bring it.

Zenoleum Kills Lice

Every owner of Poultry or Live Stock is constantly fighting against those pesky parasite pests, lice, mites, fleas and ticks, that torment his cows, horses, pigs, sheep and poultry. Zenoleum kills these pests. Zenoleum is harmless, will not burn, is not greasy or dirty, and will not poison. It is the cheapest and most powerful Germicide. It is used at the Dominion Experimental Farms at Ottawa, at Guelph and by 50 Agricultural Colleges in Canada and U.S.A. A \$1.50 tin makes 80 gallons of Disinfectant dip. Write for Booklet. Ask your dealer or send 25 cents for a tin containing enough for 5 gallons of dip, carriage prepaid. Write for Booklet—How to Cure Sick Livestock.
