Dr. Barker of the Brighton (England) Hospital says, "Ridge's Food resembles mother's milk so closely that infants are reared, and well reared, exclusively upon it." Another physician, at the head of an orphan asylum, says, "I have been using this preparation for five years or more, and have the most unbounded faith in it." Another says, "I had long tried to procure for a pair of twins in my practice a food that would not acidulate, etc. Ridge's Food fulfills the condition perfectly. Send to WOOLRICH & CO., Palmer, Mass., for pamphlet free."

**THE COMPOUND INVESTMENT PLAN**  
 Combines all the advantages of insurance and investment, and under it the Company guarantees after the policy has existed for ten years, if the insured so desires, to loan to him the annual premiums as they mature, thus enabling him to continue the policy in force to the end of the investment period. Should death occur after the tenth year the full face of the policy will be paid, and loan (if any) cancelled.

**DONALD KENNEDY**  
**Of Roxbury, Mass., says**  
 My Medical Discovery seldom takes hold of two people alike! Why? Because NO TWO PEOPLE HAVE THE SAME WEAK SPOT. Beginning at the stomach it goes searching through the body for any hidden humor. Nine times out of ten, INWARD HUMOR makes the weak spot. Perhaps it's only a little sediment left on a nerve or in a gland; the Medical Discovery slides it right along, and you find quick happiness from the first bottle. Perhaps it's a big sediment or open sore, well settled somewhere, ready to fight. The Medical Discovery begins the fight, and you think it pretty hard, but soon you thank me for making something that has reached your weak spot. Write me if you want to know more about it.
