Victory Bonds Pay Doubly

A VICTORY BOND is an Investment—not a Subscription—bearing 5½ per cent. interest. You make a savings deposit at 5½ per cent. with all Canada as security, which can be cashed at any time, instead of 3 per cent. in the bank. VICTORY BONDS furnish the credits with which Great Britain purchases, in Canada, supplies for her civil population and her armies. The proceeds of these Bonds guarantee a ready, profitable market for Canadian Farmers, Canadian Manufacturers, our Ship-builders, Steel and Munition Plants, with their tens of thousands of employees, and business men of all classes. They insure all Canada's prosperity, at the same time that they efficiently maintain Canada's distinguished heroes at the front. It is therefore a good business proposition.

Further, the interest on a \$500.00 Victory Bond will pay the annual premium on a 20-Pay Life Policy, N.-P., for \$1,000, at age 30 to 33, in The Continental Life Insurance Company. Will you not then become a Bondholder and a Policyholder, too, in the defence of your own and your Country's freedom? Embrace the opportunity to secure \$1,500 with interest on an outlay of only \$500. "Kill two birds with one stone."

See your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.
