Purdy's Are Sweet Reflections

As a personal gift Candy seems to be recognized as having a field all its own.

It IS a gift—something one can take along and the sharing of it breaks down barriers of reserve—opens pleasant channels of talk.

The best candy is Purdy's. Mr. Purdy's name on a box of chocolates is an indication that the giver has selected with discrimination—and has some appreciation of goodness as expressed in candy.

Now It's the Mason & Risch Phonograph

Not simply a "talking machine," but an instrument giving you the finest gradations of voice—or instrument.

So realistic that the artists themselves might well envy the reproduction.
