EDITORIAL NOTES.

The Banque Ville Marie at Montreal has suspended payment temporarily owing to the defalcation of officials. President Weir says that Teller Herbert is a defaulter to the amount of \$60,000. Herbert and Lemieux, the accountants, are both missing.

Sir James D. Edgar, speaker of the House of Commons, died at his residence in Toronto on the evening of the 31st of July. He had attended to his duties as speaker up to about ten days previous to death. The Premier and Mr. Foster paid eloquent tribute to the memory of the deceased. This is the first speaker who has died during his term of office since confederation.

General De Gallifet the new French Minister of War is administering affairs in his department with a firm hand. General De Negrier has been deposed from office for giving orders to his subordinates which were inadmissible and seriously against discipline in the army. The trial of Dreyfus begins in a few days at Rennes. Many of the army officers who took a leading part in the first trial have since been disgraced and discredited, and public feeling has wonderfully changed, and whatever the verdict may be, his chances of a fair trial are good.

The Alaskan difficulty seems to be nearer an amicable settlement than ever before. Britain seems to be in full sympathy with Canada, and the probability is that a free port on the Lynn canal will be granted to Canada, pending a final settlement of the international boundary. President McKinley and his cabinet are in a tight place in regard to this question. If they concede anything to Canada that will give us control over the Yukon trade, it means the alienation of the vote of the Pacific coast from the Republican party and this would mean a Republican defeat at the next Presidential election.

Lord Salisbury has at last spoken in regard to the Transvaal trouble. The grievances of the Uitlanders must be fully redressed now by President Kruger, and the Transvaal Volksraad or Britain will by force of arms compel them to grant equal rights to all residents, that is, that the Uitlanders shall have the same rights and privileges as Dutch settlers in Cape Colony have. Sir Hugh Campbell Bannerman the leader of the Liberal party in the House of Commons has declared his agreement with the Government's action in taking vigorous steps to enforce if necessary, the demands of the government. The leading English papers are all of one mind that further delay in pressing the claims of the Uitlanders would be impolitic and foolish.

Sydney, C. B., July 31.—Sunday evening about 7 o'clock, William Kehoe and James Doyle, of Whitney Pier, and John Morrison, trackman, of this town, left North Sydney for here in a sailboat. They had been drinking. There had been bad feeling between Kehoe and Doyle, and when off Point Edward they began to fight, and clinched. After a short struggle both fell overboard. Morrison tried to rescue them, but could not, as they continued to fight in the water until both went down. A search will be made for the bodies.

A serious accident happened on Mr. Thomson's farm, some two or three miles north of Walkerton, on Saturday last. It appears Mr. Thomson's men were unloading hay, using a hayfork and team for the purpose, and had a forkful well up to the now when the fastening of the rope gave way and the block struck Alex. Craig in the side, over the heart, and fractured two of his ribs. The lining of the lung was torn. From last accounts Mr. Craig was in a very critical condition.

Suffering caused by Piles

Is Quickly Ended when Dr. A. W. Chase's Ointment is applied

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce restlessness and at times excruciating pains known only to the victims of piles.

What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.

Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.

Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."

Dr. Chase's Ointment is for sale by all dealers, or Edmanson, Bates & Co., Toronto.

VIOLENT HEADACHES

Accompanied by Indigestion and Constipation cured by Dr. Chase's Kidney-Liver Pills

From Bath, Ont., comes the particulars of a remarkable cure effected by Dr. Chase's Kidney-Liver Pills. Mr. Jos. Gardiner was for forty years the victim of indigestion, constipation, and violent headaches. Nothing seemed to have the desired effect until he began the use of Dr. Chase's Kidney-Liver Pills, and they effected a complete cure. Mr. Gardiner writes:

"I have been troubled for over forty years with indigestion and constipation, would go for two weeks at a time. At intervals I would be taken with violent headaches. I spent dollars and dollars in vain, and was finally advised to use Dr. Chase's Kidney-Liver Pills, and must say that they are the only remedy that gave me permanent relief. I would not be without them for anything."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 50c. a box. At all dealers, or Edmanson, Bates & Co., Toronto.
