Five rinks of the Dufferin Bowling Club go to Paris tomorrow night.

Annual Picnic
The annual picnic of Alexander Sunday school will be held on Wednesday afternoon at Oak Park Farm, with the kind permission of the proprietor, Mr. W. G. Bailey.

\$40 From the First Round
There was over forty dollars realized as the result of Saturday games in the John Hill Cup. The Duffs and Paris game was the principal source of revenue. The money goes to the Sanatorium.

Good Prospects
A trip through Brant County, taken by a Courier man the past two or three days, shows that crop conditions everywhere are most encouraging. Grains, roots and fruits all promise a yield, in most cases, above the average.

The medical section of the Dufferin Rifles have been secured by the Old Home Week executive, to act during that period in a first aid capacity. On Saturday the medicos had their picture taken; the cards will form an interesting souvenir of the event.

Should Abolish Club
Rev. W. E. Gilroy, a former Brantford pastor speaking at Hamilton yesterday on the temperance issue declared that before Mr. Rowell again appealed to the province on the "Abolish the Bar" cry liquor should be abolished from the Liberal Club rooms at Toronto.

Painful Mishap
Peter Brown, workman on the Grace Church tower construction, met with a painful accident on Friday evening when the arm of the derrick used for raising the stones fell and striking Brown on the foot, knocked the ankle joint out of place. Brown was removed to his boarding house on Bridge street where he is getting along nicely.

Domestic Science for Indian Maids

Smellie of the Department of Agriculture, Toronto, will visit Oshawa on Wednesday and Sour Spring on Thursday when she will speak upon the organization of classes to the Indian people. Lynden Legal Action
C. W. Bell, Hamilton, issued a writ in the high court for the recovery of \$10,000 damages on behalf of Benomy Van Sickle of Lynden, against Chas. James of the same village. The endorsement on the writ asks the court to grant an injunction restraining the defendants from trespassing on the lands of the plaintiff, also for an order, compelling the defendant to restore the fences on the land to their proper condition, and for the above amount for the trespass complained of.

Mr. Bell, in speaking of the writ, said for a great many years the plaintiff had been annoyed by the defendant driving and walking over his lands. Recently permission was refused the defendant from using the lands in any way. Mr. Bell said that his client was surprised to find one morning that a portion of the fence had been torn down and the defendant driving across the land.

He was the seventh of his family to bear the name of Charles. His father was named Charles, his grandfather and great grandfather also bore that name, and so on back. He has a son Charles, and also a grandson.

Besides his wife, who, prior to her marriage was Miss Phoebe Lovett, of Brantford Township, he leaves one son, Charles, on the homestead, and one daughter, Mrs. Ausleybrook, of Brantford Township. The following are sisters: Mrs. Boughton, of Forest; Mrs. Robert McCormick of Glenmorris; Mrs. C. O. Apps of Paris; Mrs. James Joyce of Waterford; Mrs. Sims of Chicago, and Miss Emma in Hamilton.

Mr. Gurney was a lifelong Liberal and a member of the Baptist church. The funeral will be held on Tuesday to the Paris cemetery.

AT HAMILTON

Local Orangemen Take Part in Mammoth Church Parade.

A large number of members of the local Orange lodges went down to Hamilton yesterday and took part in the annual church parade of the Hamilton brethren to the Church of the Ascension, where the rector, Rev. Robert John Renison, D.D., delivered the annual sermon to the order, in which he admonished the brethren to live up to the significance of the order's ritual and to see that Protestantism stood for all things that were noble and for the relinquishment of everything that had caused defamations in the past. Dundas, Ancaster, Oakville, Burlington, Beamsville, Grimsby, Stoney Creek, Seneca and other lodges were represented, and the parade was led by the band of the East Hamilton Conservative Club. The Cadets Returned, All Happy, Safe and Sound

Brantford Schoolboys Proved to be Real Men at Niagara-on-the-Lake—Details of Camp Life.

The Brantford Public School Cadets, in charge of Lieut. Bingle, returned on Saturday from a splendid five days outing at Niagara-on-the-Lake.
The entire camp consisted of 3000 cadets of public and high schools. This was an increase of 1000 cadets over last year and the year before.
The camp was pitched in front of the oak grove, but much nearer the village than last year.
The cadets were organized in two brigades, the first one being made up chiefly of the Toronto, Brantford and Hamilton public school boys, while the second brigade was made up mostly of high school boys. The Brantford public school boys formed the seventh battalion of the first brigade, and made up a full battalion of themselves.
The staff of the Brantford Public School boys battalion was as follows: Lieut. T. Bingle, commanding officer 38th Regt., and instructors, Lieut. W. Joyce, 38th Regt., J. S. Rowe, 38th Regt., F. Dickson, 38th Regt.; G. C. White, C. S. C. I., W. E. Foster, C.S.C.I., C. L. Gamble, C.S.C.I., and cadet company leaders Ferguson, Wollams, Colquhoun, Gordanier, Ash, Feely.
The local public school boys with their instructors, numbered 200. No great discomfort was experienced, although the boys had to sleep six or seven in a tent.
No serious illness occurred, though three boys were treated at the hospital for colds, one for a bumped head and one for a slightly sprained ankle. The hospital arrangements were as good as ever in previous years, this phase of the camp seeming to be one which the camp authorities pay great attention to.
The dining provision this year was an improvement over last year, and the food was good and substantial nourishment, though served out in camp fashion.
The daily work of the Brantford boys was as follows:
Monday, June 29—Arrival of advance party and pitching of tents for main body. This consisted of Lieut. Bingle and fifteen cadets, arriving about 2 p.m. during a shower of rain.
Tuesday, June 30—Arrival of main body at noon. Pegging of tents and muster parade, issuing of camp equipment, assignment of mess tents, etc.
Wednesday, July 1—A.M.—Company drill and skirmishing. P.M.—Bathing parade at Port Mississauga.
Thursday, July 2—A.M.—Bathing drill and ceremonial. P.M.—Bathing parade as before. Those who wished paraded at the ranges for shooting instead.
Friday, July 3—A.M.—Sham battle at Three Mile Creek. P.M.—Bathing and shooting as before.
Saturday, July 4—A.M.—General salute and march past. This included

every cadet. Immediately after tents were struck, etc. At 11.00 the cadets had lunch and then entrained for home, arriving here at 4.30 p.m.
All Cadets paraded for prayers each morning before breakfast.
For those who are acquainted with the lay out of the land at Niagara the details of the sham battle may be interesting. The first brigade formed the defensive and on the day previous to the battle were supposed to have taken up a position at point 261 at four mile creek. The second brigade formed the attacking forces and on the morning of the battle advanced against the defenders and were met at the above place. They, the second brigade were driven back by the first brigade and forced to retreat back of the three mile creek. The Brantford battalion was kept in reserve but was ordered later to come up in the firing line and attack the enemy on the right flank, which soon ended the battle.
The bathing parades were very popular, thousands of boys swimming in the lake at once. It was a good place for bathing the lake being shallow over a large area and the host of swimmers and the timid ones paddling along the shore formed a fine sight.
The boys were not allowed to leave the camp grounds and go into the village earlier than 3.00 p.m. and then only with permission of those in charge. Under no condition were the boys permitted to go near the wharf, lake, river and railway station unless accompanied by their instructor. This prevented the boys from straying and getting into danger, and at the same time gave them a chance to see the town, etc.
All the instructors were very pleased with the way each boy behaved himself and did his work at camp. The Brantford Public school boys have been men; they have played the game; they have placed Brantford in the front and have received the commendation of all at the camp. It
