### Local & Other Matters.

A number of foreign Barques and Brigs are in port at present loading Deals for foreign are very plenty, and Strawberries are very plenty, and the rage for the next few weeks.

The season for working on the reads is now at hand and we trust our commissioners will not be negligent of their duty in repairing our sidewalks.

PERSONAL—Mrs. Andrews, wife of J. W. Andrews Eag., formerly of this town, is now on avisitamong her friends. We welcome her in our midst and trust her visit to this, Mr. Andrews' native town, may prove to be a pleasant one.

Grass in every section looks well and exceptions.

attended to.

Counterfeit fifty cent pieces are incirculation in this community, and persons wishing to protect themselves are incirculation in this community, and persons wishing to protect themselves are incirculation in this community, and persons wishing to protect themselves and moneys before acceptance. A number of these sparious coins have been passed during the last few days, and the same lots or parcels of final pieces. A number of these sparious coins have been passed during the last few days, and the same lots or parcels of final pieces. A number of these sparious coins have been passed during the last few days, and the same lots or parcels of final pieces. A number of these sparious coins have been passed during the last few days, and the same lots or parcels of final pieces. A number of the subject of the same lots or parcels of final pieces and apparetenance it is, and detect the guilty parties.

First.—On Friday-evening last another at the lumber was on firs. The Fire Briggels were just at practice with the Engage were just at practice wit the Engage were just at practice with the Engage were just at p by Mr. J. Cleveland, Manager of the Mill, who made some very appropriate remarks, thanking them for the very efficient services rendered by them and the creditable manner in which they responded to the call. Capt Logan replied, thanking Mr. Cleveland, on behalf of the Fire Brigade, for his generous donation and the very kind manner in which they had been treated. The damage resulted in the loss of about five or six thousand feet of lumber.
