It is a duty our citizens owe to them-
selves, their neighbors, and the town at
large to have their premises thoroughly
renovated before the hot weather comes.

garrets cleaned out, and disinfectants
applied when the case demands it. Burn

Two Beautiful Young Girls.

WHO WILL CREATE A FUTURE IN NEWPORT
THIS SUMMER.

Newport is to have a sensation this
summer.

It is authentically stated that the beau-
tiful and celebrated daughters of Lord
Dufferin, Beatrice and Adelaide, are to
grace this famous resort with their pres-
ence this coming season.

It will be remembered that Beatrice's
beautiful dark eyes have played havoc
lately with the heart of Albert, the eldest
son of the Prince of Wales. What it will
amount to is as yet a matter of conjec-
ture in England. The young ladies are
acknowledged to be the most beautif-
ul in all Europe, and there will be not a
little excitement in the hearts of our
American belles over their coming. They
are exquisite dressers and their costumes
will be marvels of curiosity. Unlike most
ladies they know exactly what is suited
to them. Some time ago they sent for
the chief designer of the Paris house of
the New York and Paris Young Ladies'
Fashion Bazaar, and selected forty cos-
tumes each, the cost of which will amount
to thousands of pounds.

Through the courtesy of these young
ladies we have been permitted to copy
for the New York and Paris Young Ladies'
Fashion Bazaar two of their most
exquisite costumes, which appear as fig-
ures 3 and 4 on the colored plates of the
June number of this magazine, just out,
and for which the publisher has issued in
the name of the American ladies a card
of thanks. It is rumored that the prince
may follow the young ladies to Newport
this summer. The New York and Paris
Young Ladies' Fashion Bazaar has the
exclusive right to publish each month at
least one or more of the costumes in
which the ladies Beatrice and Adelaide
will appear.
