TUXIS AND BOY SCOUT NOTES

On Wednesday of last week the Wolfville Tuxis Boys were defeated by Bridgeville in the play off of the Valley League, at Middleton, score 10 to 7. Miss Eiderkin as pitcher and Wallace Barteaux as catcher played well. Gordon Kennedy at 2nd and Val Rand at 3rd also did good work.

On Monday last the Tuxis Boys defeated a team from the Academy in a practice game. The play on both sides was very loose.

On Wednesday the same team played the Junior Kentville team at Kentville and the score at the end of the 9th inning was 3 to 3. In the play-off the boys won. It was a very close and hard game.

This evening the usual meeting was held at the Club Room at 8:30. Arthur Brown will be in charge.

The Scoutmaster will take the "Scouts", the Boys Class of the Wolfville Sunday School, to the Camp at Spring Lake for Friday night, returning Saturday afternoon. Only those members of the class who were present last Sunday will be allowed to go.

CANNING ITEMS

We record with sorrow the death of one of our old respected citizens, William Kinsman, at the advanced age of 93. Mr. Kinsman was one of the pioneers in the raising of cabbages in large quantities in this locality, which his son Harold still continues. Some years ago he sold his farm at Kingsport to F. G. Jones, since which he has lived in Lower Canning. Mrs. Kinsman survives him.

Mrs. L. F. Blenkhorne is visiting her daughter Mrs. Roy Kinsman, in Regina.

Mrs. A. D. Payzant has returned from a trip to Toronto.

Mrs. Chas. M. Atkinson has purchased the new bungalow on Earnscliffe avenue, Wolfville, from C. H. Wright, and will occupy it at once.

Miss Olive Rand, of the Royal Victoria Hospital, Montreal, is at home for a month.

Horace Grant, of Hartford, Conn., and Roland Schofield, of Boston, are visiting their old home here.

Capt. Geo. D. Spicer, of Spencer's Island, with his grand daughters, Miss Florence Heustis, of St. Stephen, N. B., and Miss Alice Spicer, of Parraboro, passed through here Tuesday en route to Halifax, where the marriage of his grand-daughter, Miss Jean McConnell, daughter of the Rev. J. W. McConnell, to Mr. Gregory was solemnized on Wednesday. Dr. Stanley Spicer accompanied him.

Mrs. Dana Harris, formerly Miss Eva Jackson, is being welcomed this week by her many friends here. Her home is in Somerville, Mass.

The baby clinic under the auspices of the Women's Institute was held in the Methodist Vestry here yesterday. Thirty babies between the ages of two months and five years were shown and the Supt., Miss Hayden, pronounced it one of the best exhibits that has been shown. A large number of delighted ladies attended.

BRITISH DISCOVERED PLOT

The British intelligence department at Constantinople has discovered a plot, organized and subsidized from Angora, the Turkish Nationalist capital, to foment a revolution at Constantinople.

It was planned to spread disaffection among the loyal Indian troops and assassinate the leading Allied officers. Seventeen desperadoes, it is reported, were brought to Constantinople to carry out the murders. The British authorities have demanded the arrest of those implicated.

George C. (Patty) Arbuckle is under arrest at San Francisco on a charge of murder.

SLEEP—TRETHERWAY

On Wednesday of last week a very interesting and pretty ceremony took place at New Germany, Lunenburg County, when Marguerite Kathryn, only daughter of Mr. Scholyer N. and Mrs. Trettheway was united in wedlock with Harry Earl Sleep, only surviving son of Mr. and Mrs. L. W. Sleep, of Wolfville.

The ceremony, which took place in the drawing room of the bride's home, was beautifully decorated with a profusion of autumn leaves, flowers and garlands, beautifully arranged by relatives and friends of the bride, was duly solemnized by the pastor of Epworth Methodist church, Rev. A. J. Reynolds.

The bride, to the strains of the wedding march, played by her cousin, Miss Trettheway, of Wolfville, was most becomingly attired and looked sweetly in an imported gown of white tulle, trimmed with seed pearls, with an apron of embroidered silk net. She wore the conventional veil and orange blossoms and carried an exquisite Colonial bouquet, and was given in marriage by her father.

The bride and groom were unattended. The guests included only immediate relatives and friends of the family but, in addition, out-of-town guests included Mr. and Mrs. Jessen Anderson, Lunenburg; Miss Gertrude Anderson, Lunenburg; Miss Bessie Anderson, Lunenburg; F. W. Barteaux, Wolfville; Mrs. L. Kennedy at 2nd and Val Rand at 3rd also did good work.

The groom's gift to the bride was a watch, and to the organist an amethyst ring. After the ceremony, felicitations and wishes to the couple followed and a bounteous luncheon served. The gifts of gold, silver, cut glass and china were everywhere in evidence and in being 3 to 3. In the play-off the boys won. It was a very close and hard game.

This evening the usual meeting was held at the Club Room at 8:30. Arthur Brown will be in charge.

The Scoutmaster will take the "Scouts", the Boys Class of the Wolfville Sunday School, to the Camp at Spring Lake for Friday night, returning Saturday afternoon. Only those members of the class who were present last Sunday will be allowed to go.

NEARY—ATWELL

The Baptist Parsonage on Wednesday evening, Mr. Frank K. Neary and Miss Laura N. Atwell were united in marriage by Rev. J. H. MacDonald, in the presence of a few friends. The bride was supported by Miss Alma Smiley and Mr. Karl Mason acted as groomsmen. Amid showers of confetti and good wishes the happy couple left on the morning express for a short honeymoon trip.

MIDDLETON DEFEATS SPRINGHILL

The Middleton baseball team defeated Springhill at Middleton Wednesday in the second game of the championship series, the score being 3 to 2. Fifteen hundred fans witnessed one of the most thrilling games ever played in Middleton. Neither team scored during the first seven innings. Springhill scored twice in the eighth and Middleton's chances looked slim. They however staged a ninth innings rally such as the people of Middleton had never seen. With one man out, Dodge, who had been hitting the ball hard all through the game, singled and was safe at first. He was sacrificed to second by Fisher, and came home on a hit by V. Reagh. Bowly the next man up singled to left. With two on bases and with three balls and two strikes on him Goucher hit a clean three bagger to centre and scored the two winning runs amidst wild jubilation.

Dodge, who pitched for Middleton, allowed only five hits and struck out six men, while Rideout, for Springhill, allowed seven hits and had five strike outs.

The deciding game of the series will be played next week, probably at Halifax.

CHURCH NOTES

Two most helpful sermons were delivered by Rev. Douglas Hemmeon to the united congregations on Sunday last. His subject at the Presbyterian church in the morning was "The Church and Men", and in the evening at the Methodist church, he took for his text, "A new commandment I give unto you, that ye love one another". The music at both services was much enjoyed. Miss Doris Chambers was the soloist at the morning service, and in the evening solos were sung by Miss McGowan and Mr. Ernest Bars.

Last Sunday completed Rev. G. W. Miller's vacation and as Rev. Mr. Hemmeon does not wish to take his vacation until next month it has been decided to continue the union services during the interval. Rev. Mr. Miller will therefore preach at the Presbyterian church in the morning and Rev. Mr. Hemmeon at the Methodist church in the evening, for the next few Sundays.

Hon. L. G. Power, of the Canadian Senate, died on Monday at his home in Halifax.

RESULTS OF PROVINCIAL EXAMS.

Splendid Marks Made by Pupils of Wolfville High School—Prin. Silver's Tribute to Former Prin. Ford.

TO THE CITIZENS OF WOLFVILLE

Since 1987 you have had laboring in your midst a personality whose influence has been greatly felt in the general life of the community. The party referred to is my predecessor Mr. R. W. Ford. Twenty-four years he conducted the Wolfville High School, and conducted it well. His motto was not "What I have I hold", but "What I have I give to others". This he did, and unselfishly at that. His great aim was "Thoroughness". That is one thing of which his students speak, when his name is mentioned. The respect for his person and his work is strongly marked.

Many young men and women who attended his classes, bore the heat of the day unflinchingly during the great war. Some have gone, whilst others still remain to carry on life work.

For twenty years Mr. Ford conducted the High School without an assistant, two years with the teacher of Grade VIII assisting and two years with a Vice-Principal. Think of the labor, during those twenty years. Was the task he undertook; the burden he bore; not one to make the most courageous quake? Did he accomplish it? Did he carry it to a successful conclusion? There is but one reply and that is "Yes"! His results each year have held their own with others in the province and this year hold their own again.

It is my sincere wish that Mr. Ford will be as successful in his new field of labor as he has been in the past.

Sincerely yours,
B. C. SILVER,
Principal of School.

Twenty-seven Wolfville High School Students who wrote the Provincial Examination last June were successful in obtaining Certificates.

A NEW INDUSTRY FOR WOLFVILLE

Rumor has it that the Canadian Manufacturers of the well known Blood Purifying Remedy, Burdock's Blood Bitters, is about to establish a manufacturing and distributing plant in Wolfville, possibly acquiring the old Skoda Building. They were led to this by the report of one of their travellers who stated that never had he seen soil so well adapted to the production of burdock as Wolfville—especially on the sides of the streets. Little cultivation is required and if they are let alone they will seed so profusely as to guarantee a substantially adequate crop year by year.

RUMOR.

The many Wolfville friends of Mr. G. H. Estabrooks, Acadia's Rhodes Scholar, will be interested to know that he left on Tuesday for England to pursue his studies at Oxford University.

The St. John exhibition this year was largely attended and, as usual, was a good show.
