A Letter from Mrs. Tilton Inc nating Beecher, who Retor with a Denial.

New York, April 15 .- The follow ing letter from Mrs. Tilton will appear

Mr. Ira B. Wheeler:

Mr Dear Sir,—A few weeks since, after long months of mental angulath, I told, as you know, a few friends whom I bad bitterly deceived that the charge brought by my husband, of adultery between the Rev. Henry Ward Beecher and myself was true, and that the life I had lived the last four years had become iatolerable to me. That statement I now solemnly reaffirm and I leave the truth with God, to whom I also commit myself, my children, and all who suffer. I know full well the explanations that will be sought by many for this conquickened conscience and a sense of what is due to the cause of truth and justice. During all the complications of these years you have been my confidential friend, and therefore I address this letter to you, authorizing and requesting you to secure its publication.
