Copy of a Letter from Atr. Thompson, Chemist, Leverpool, dated August 20, 1882.

To Professor Hollowax,
Dear Sin—I am enabled to furnish you with a most extraordinary care effected by your invaluable Ointment and Pills which has astonished every person acquainted with the entiberer. About 19 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was ofterwards an immate of different infirmaries, yet he grew werse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now heeled the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed heelth and vigor. (Signed) J. THOMPSON.
