

MRS. WINSLOW.
An experienced Nurse and Female Physician, presents
to the attention of Mothers, her
SOOTHING SYRUP,

For Children Teething,
For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of childhood, who recommends it as sure to produce the desired effect, giving Rest to the Mother, and Relief and Health to the Infant.

A child in Convulsions—Syrup was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhoea after being given over by the attending Physician.

Mr. Glazeborn, of Eddington says, it has been used to cure the Dysentery or Diarrhoea in children whenever used in the village. Lots of it is sold.

One parent informs me his child has suffered to an alarming extent, with Flatulence or Wind Colic, lately they have used the Soothing Syrup, and it immediately relieved him.

Hundreds of similar instances might be enumerated.

PROOF POSITIVE.

Mrs. CURTIS & PERKINS.—Please send a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is used with uniform success, both by children and adults, in all cases of Dysentery or Diarrhoea.

Yours truly, W. D. CURRIBIN,

New-York, July 16th, 1852, 218, Bloor.

How the Brooklyn Daily Advertiser, of

June 13th 1852.

We sincerely comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of old and experienced mothers:

Dear Sir,—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy,—and, when given to the boy according to the directions, its effect upon him was magic, he soon went to sleep, and did not wake again; and the little fellow will pass through with comfort the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should use it. H. A. ALGER.

NEUROLOGY, or SCIATIC RHEUMATISM CURED.

This may certify, that about four years I was seriously ill with a disease in the hip, which Physicians termed Neurology, or Sciatic Rheumatism, and resorted to various remedies without any permanent relief; have been under the care of a regular Physician for six months at a time. Last spring, had a very violent attack, which laid me up, when I made use of the Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. It gave me immediate relief, and I do not hesitate to say, that it is the best article I ever used. I sincerely trust it will be of service to all who may be afflicted with similar complaints.

HENRY HUNTER.

Deacon, Dec. 2, 1847.

Deacon, the sign of the foregoing certificate, is a man of undoubted veracity and high standing in the community.

HUNTER'S PULMONARY SALBAM.

Her the Daily Mercury of Bangor says of

Dact. Powrie.

Hunter's Salbam. It is not often that we can say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, who have used and tested their merits. But in regard to Hunter's Salbam, put up by our fellow citizen, Jeremiah Curtis, Esq., we have the testimony of one whose opinion is of weight, and whose name is too numerous to mention in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for ought we know, may have been procured by fraud. See Dr. Benjamin L. Powrie's testimony, in agent's hands, or

Heir the People's Press, Skowhegan, Me.

Hunter's Pulmonary Salbam.—To those afflicted with Coughs, Colds, Consumption, Asthma, Spitting of Blood, and all affections of the Chest, we recommend Hunter's Pulmonary Salbam. It is believed to be the only article ever invented for these complaints. Price 20 cents a bottle.

INDIAN DISPEPSIA PILLS.

For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Distress, Heart Burning, Pain in the Side, Lung and Liver Complaints.

DYSENTERY AND IDIOPATHIC.

With Costiveness, Acidity of the Stomach, Heart Burning, Bilious Complaints, Headache, Distress, Headache, Indigestion, Loss of Appetite, and general Debility, must be remedied, removed, and entirely cured, by the use of the Indian Dispepsia Pills. These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating gently upon the bowels, cleansing and purifying them, and leaving the stomach and intestines to perform their appropriate duties, with regularity.

COSTIVENESS.

Habitual Costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally fail to remove it, to do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also, in all forms of Disease, affected with Pain in the Chest, Right Shoulder, Neck, and other parts, allowing costiveness. In all Diarrhoea, Ague, and Fever, Bilious Fever and sick headache, they are an available Remedy.

They will be found the best Family Physician in the world, purifying the blood, restoring the appetite, and leaving the stomach and bowels in a healthy state. Price 25 cents per box.

For purifying the blood, we do not believe there will be their equal in the world.
