Advertisement for CONSUMPTION CAN BE CURED, featuring the text 'CONSUMPTION CAN BE CURED IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD. A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will effect a cure in all cases. To those who are afflicted with this disease, it is a form perfectly suitable, and as reliable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and without any untoward effects, for Consumption and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet is truly marvellous. See What Physicians and the People Say About It. Messrs. SCOTT & BOWNE: 66 West Thirty-sixth Street, New York, September 1, 1876. GENTLEMEN, I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the last year, and regard it as a valuable preparation in scrophulous and consumptive cases, reliable and efficacious. Yours respectfully, A. H. SAMPSON, M. D., Baltimore. Messrs. SCOTT & BOWNE: Gentlemen, -Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites during the last year, and regard it as a valuable preparation in scrophulous and consumptive cases, reliable and efficacious. Yours respectfully, C. C. LOCKWOOD, M. D. Messrs. SCOTT & BOWNE: Gentlemen, -Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in a scrophulous and consumptive case, it is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases. Oct. 19, 1879. Yours truly, J. SIMONAUD, M. D., New Orleans, La. Messrs. SCOTT & BOWNE: Gentlemen, -In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to rise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning, cough, high fevers and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and I used various preparations, but they did me no good. I lost all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before I was all taken I was better. I afterwards bought a dozen bottles, with the following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in six weeks. I have since used other medicines, since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "SCOTT'S EMULSION OF COD LIVER OIL." I have a friend who has not spoken about for 18 months, and he is getting better. I got a him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago, but he is now well and wonderfully so. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine. Very truly yours, H. F. SLOCUM, Lowell, Mass. January 20th, 1879. Messrs. SCOTT & BOWNE: About the 21st of April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose, and from that hour I commenced mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I am gratefully yours, R. W. HAMILTON, M. D. For sale by all Druggists @ 1.00 per bottle. SCOTT & BOWNE, Manufacturing Chemists, Oct. 25, 1 year. New York and Belleville, Ont.'
