NOTICE!

HOLLOWAY'S OINTMENT.

All sufferers from coughs, colds, bronchitis, asthma, and irregular action of the heart, are earnestly recommended to rub Holloway's searching Ointment well over the throat, breast and back, as the case may require, twice a day. Invalids may confidently rely upon the beneficial effects resulting from this treatment: this Ointment is the most trustworthy remedy for all internal and external ailments of the throat.

Bad Legs, Bad Breasts, Ulcers, Abscesses, Wounds and Sores of all kinds

May be thoroughly healed by the application of this Ointment to the parts affected, after they have been duly fomented with warm water. Under the action of this powerful Ointment, aided by the Pills, the depraved humours of the body will be quickly removed; even scrofulous ulcers and foul sores, however old or inveterate, can thus be cured.

Gout, Rheumatism, and Neuralgic Pains.

This Ointment never fails to give relief. Its very first application lessens the inflammation, and diminishes both heat and pain. This soothing Ointment, by depriving the blood of its route to or from the affected parts, promotes healthy action. In severe and chronic cases the Pills should always be taken, as their purifying, alterative and restorative qualities place the whole mass of solids and fluids into a wholesome condition.

The Mother's Friend—Skin Diseases, however Desperate may be Radically Cured.

Scald hands, itch, blotches on the skin, scrofulous sores or king's evil, and such like affections, yield to the mighty power of this fine Ointment, provided it be rubbed around the affected parts two or three times a day, and the Pills be taken according to the printed directions.

Dropsical Swellings, Paralysis and Stiff Joints

Most of the worse cases of the above diseases will yield in a comparatively short time if the Ointment be diligently applied to the affected parts, even when other means have failed. Whenever the malady have been of long standing the Ointment should be assisted by Holloway's purifying Pills which act upon the stomach and liver, guarding digestion against falling into that disordered state, which the pain, restlessness, and fever, attending these ailments is apt to produce, and which much retards recovery, and sometimes even makes serious the slightest case.

Piles, Fistulas, and Internal Inflammations.

Persons afflicted with these distressing complaints will find in this wonderful Ointment instant means of relief, and all can effect their own cure without explaining their infirmity to any one. The Pills, if in small doses, greatly assist the Ointment, as they purify the blood and regulate the stomach.

Both the Ointment and Pills should be used in the following complaints:

NOTICE IMPORTANT TO THE

Citizens of Newfoundland

THE CONTINENTAL LIFE INSURANCE COMPANY OF NEW YORK,

In order to complete their line of Agencies from London to San Francisco California and to extend universally the benefits and advantages offered by their Company and to place within reach of all the means of making provision for the Widow and the Orphan have decided on establishing Agencies in

St. John's and Harbor Grace, Newfoundland.

The CONTINENTAL beyond all comparison the most successful and most popular Company ever established in Europe or America. It has only been SEVEN YEARS in existence but at its organization men of enlarged views and great experience in Life Insurance, were placed in its management, who, having discarded all useless and annoying restrictions, and adopted all the improvements known in Life Insurance—many of them original with themselves, it at once received, and continues to receive a support unprecedented; and it now stands far ahead of many companies TEN YEARS older than itself. It has issued over FIFTY-NINE THOUSAND POLICIES, and has over \$6,750,000,000 assets, all securely invested, as required by law, in Bonds of the United States, Bonds of the State of New York, or in Real Estate. For that portion invested in Real Estate, it holds in all cases Double Security. So popular is its management and so great the public confidence that there are only Two Companies in the World that now approach it in the amount of business done.

By the Laws of the State of New York Life Insurance Companies are not allowed to do Fire Insurance or any other business, the importance of which law cannot be over-estimated by all who desire to protect their families by Life Insurance, and who do not wish to have their funds put in jeopardy by Fire Insurance.

By the Laws of New York Life Insurance Policies are held sacred to the families of the insured, free from the claim of Creditors.

The CONTINENTAL issues all kinds of Policies, viz: Ordinary Life, Endowment, Joint, &c.

All losses in Newfoundland will be paid at the Agency here without subjecting claimants to the trouble and expense of going to New York.

All Policy holders can vote and are eligible to office.
