For Colds, Catarrh or Influenza

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and health tonic made from wild roots and herbs, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alternative and tonic is wild cherry bark with siltins, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root, all skillfully combined by the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making and are best for scrofula. By improving the blood they fortify the body against an attack of grip or colds.

Catarrh should be treated, first, as a blood disease, with this alternative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy.

Send 10c for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce's Laboratory, Bridgeburg, Ont.

UNIONS OUT TO BEAT THE SWITCHMEN'S STRIKE

NEW YORK, April 13.—Union Labor's co-operation in an effort to break the unauthorized strike of railroad workers here was pledged last night by representatives of the four big railroad brotherhoods in conference with representatives of the Eastern roads. A statement given out after the meeting characterized the strike as a "mob movement" and asserts it was "bound to break."

John C. Walker, Labor expert and Secretary of the Bureau of Information on Eastern Railroads, who made the announcement, said it was the consensus of opinion of the brotherhood

leaders that the strike would burn itself out." He said the conference "received information that the strike was easing up around Chicago, Indianapolis, Columbus and other Western cities, but remained unchanged locally."

"The surprising part about the strike is the fact that the men who are regarded as conservative have become impregnated with radicalism," Mr. Walker said. "The strike is one fostered purely by radical influence."

Is First Official Conference

It was announced that the brotherhood leaders had "tried their best" to have the men ignore the radical agitators who invaded New York from New Jersey yesterday. Previously the brotherhood leaders had mingled with strikers and loyal union men in New Jersey, urging them to respect their contracts.

The conference last night was the first officially held here between the Labor leaders and Railroad representatives. Timothy Shea, Vice-President of the Brotherhood of Locomotive Firemen; Thomas R. Dodge, representing the brotherhood of Locomotive Firemen; L. C. Griffing, representative of the Brotherhood of Locomotive Engineers, and S. C. Cowan, representing the Order of Railway Conductors, attended the conference.

Run Millionaire Special

It was learned at the Lackawanna offices that a "Millionaire Special" was run from Hoboken to Morristown, N. J. late today. The train was manned, with the exception of the engineer and conductor, by five wealthy residents of Morristown.

Strikers on the New York Central and New Haven roads have agreed to supply crews for milk trains. In making this decision public the strikers declared they were "not fighting the babies, the ill and the poor."

CHICAGO, April 13.—While the unauthorized strike of railroad employees, which started in Chicago two weeks ago with the walkout of seven hundred switchmen on the Chicago, Milwaukee & St. Paul Railroad, today appeared to be gradually waning in the Middle West and the Far East; the situation in the territory east of Cleveland took on a more serious aspect.

The centre of development in the walkout of insurgents had definitely shifted to the east where additions to the ranks of the rebel railroad workers had caused a serious stoppage of freight and passenger traffic and the closing of several industries

A WARNING TO LONDON

Stratford Beacon:—If London is not careful she will come to deserve the appellation of "hogtown" hitherto applied to another Canadian city. For some days an agitation has been noticeable from that city advocating a change in the Hon. Mr. Briggs' plan for the straight Toronto to Sarnia highway at present scheduled to proceed through Stratford on the most direct route. London, of course, wishes this highway to be deviated to enter that city, and if its ambitions are successful, instead of being upon the ved but with a branch or mere county road running from London to this city. The reason is obvious. Much of the profitable tourist traffic from the United States will pass over this way, and London is overlooking nothing that will contribute to her prosperity. Stratford and other municipal

ities on the direct route should be quick to protect their interests and impress upon the Government the importance of adhering to its settled program.

BUFFALO, April 13.—The cold weather will continue the greater part of Wednesday, Meteorologist Cuthbertson said last night. The downfall of rain which reached a depth of nearly one inch last night he said will turn to snow today.

The highest temperature yesterday was forty-four degrees at 8 o'clock in the morning and the lowest was thirty-one degrees at 10 o'clock last night.

The temperatures vary only slightly from those of the same date last year when the highest temperature was forty degrees and the lowest thirty-seven degrees.

Orange Pekoe Teas are plucked from every tea bush.

So there are poor Orange Pekoes and those of fine quality. Low price and high price.

The best Orange Pekoes are plucked from tea bushes grown from selected seed in the carefully cultivated soil of mountain side gardens, and gathered at a certain time of the year when the flavor is most fully developed in the leaves.

Naturally these command the highest price.

They are worth it, as you will agree when you taste their exquisite flavor in our Red Rose Orange Pekoe Tea---the new and higher priced tea for those who are willing to pay a little extra price for a tea of extra quality.

There are numerous packages of Orange Pekoe teas on the market. See that the one you buy has the name---Red Rose Orange Pekoe Tea---on our waxed board carton.

Mountain grown Orange Pekoes from the best plantations. A tea of extra quality at a little extra price.

Our well-known Red Rose package, the sale of which is increasing faster than ever before. Red Rose consists chiefly of Assam teas, the richest and strongest in the world and therefore very economical. (The Red Rose Orange Pekoe package is a little different in design.)
