A sad and fatal accident happened near De Gross Marsh on Thursday night last by which George McCormack of Boughton Island lost his life. He had been to Georgetown and started to drive home across the ice about 7 p.m. Nothing more was seen or heard of him until his lifeless body was found on ice Friday morning. The horse sleigh were found at the shore not away stuck in a snow bank. The body oore evidence of having been dragged some distance; probably by the reins. It appears the deceased was subject to fits and probably fell off the sleigh in one of these, and died before recovering. A coroner's inquest returned a verdict of "accidental death." Deceased was

about 35 years of age.
