DUNGANNON.

Personal.—The Rev. James Broley, on his return from Conference, was mete by the members of his church at the parsonage, who gave him a hearty well come in the form of a splendid tea, and a barn well filled with hay and oats. Mr. and Mrs. Broley seemed to be much pleased with the kind and cordial reception they received. Such proceedings bind minister and people more closely together, and are well worthy of imitation.

On Friday morning, the through east bound express, while passing Widder, struck a little boy named Francis German, aged nine years, killing him instantly. The little follow was trying to cross the track in front of the train, when the engine atruck him, and threw him about six rod.

Arrangements have been made to hold a monster Orange Celebration in Guelph on the 12th of July. An attractive programme has been prepared, and it is expected that fully 5,000 Orangamen will be present, almongst others the Hamilton bruthern, numburing mearly 1,000, will attend. Orations will be delivered by a number of eloquent brethren. Special arrangements have been made with the various railway companies to cenvey members of Ledges to and from Guelph at greatly reduced fares. Dear Sir—

For many years my wife has had serious Organic, and of course, functional Disease of the Heart, and frequently has 'seizures' of the most terrible description, menacing her with instant death. I have tried many prominent Heart Remedies without avail, but in Dr. Campbell's 'Heart Regulator' I am free to confess, we have found the "Supreme Palliative," if not the "Radical Cure." Your preparation, Doctor, aftenys relieves her instant heart for ROYAL MAIL STEAMSHIPS. Liverpool, Londonderry and Glasgow

THE first class, fait powered, Olyder-built Bleen-cal Cure. Your preparation, Doctor, always relieves her instantly and perfect by, while the 'seizures' are much less frequent and severe. I have also prescribed your remedy in my practice, I can and do, most consciontiously commond its use to all suffering from Organic or Functional Cardiac Derangements.
