### Supreme Court.

The Chief Justice and Mr. Justice  
Johnson were present. They were  
for the following cases: M. G. Win-  
ter, Exor., vs. N. G. Vincombe, Nov.  
23d. Pike and Bradley vs. Robert  
Norton, Dec. 12th. A. Anthony vs.  
A. J. Mosley, Nov. 3rd.

An argument took place in the ap-  
pel case in which Joseph Pelletier is  
appellant against the Minister of Fi-  
nance. Appellant was fined at Bonne  
Bay for landing a box of tea without  
reporting to Customs. Mr. Gibbs ad-  
vised to be allowed to introduce ad-  
ditional evidence, which was granted.  
Mr. Howley appeared for Minister of  
Finance.

In the case of Bridget Carroll vs.  
Ellen Kenna, Johnson, J., stated he  
finds the deed which is in controversy  
sufficiently proved and the assignment  
is upheld.

### A Change of Administration

It is absolutely necessary in a house-  
hold where the hot water bottle is  
not in evidence and good condition.  
To meet the needs of up-to-date  
housewives we have put in a very  
fine line of Rubber Hot Water Bottles.  
It will be to your advantage to see  
your next bottle from W. T. COURT-  
TENAY, corner of Duckworth and  
Prescott Streets. The home of good  
quality.

By the fogata we learn that a col-  
lision occurred at Change Islands  
yesterday. The motor boat of the  
John Roberts' motor boat with 36  
qts. fish on board and Elliott's motor  
launch. Both were coming in oppo-  
site directions when Elliott's boat  
struck Roberts' on the port bow and  
cut her to the water's edge. She was  
barely able to float and was run in  
quickly and beached when the fish  
was hurriedly taken out of her. The  
damage amounted to \$50 and the mat-  
ter of settling will be the subject of  
an arbitration.

### Methodist College Wins Footer Trophy.

Yesterday afternoon on St. George's  
Field the Methodist College and Bishop  
Field College footballers met in the  
inter-collegiate series of matches.  
Victory fell to the former, who put  
up a splendid game having a walk-  
over their opponents. They scored  
two goals in the first half and two  
others in the second, while their op-  
ponents failed to put the leather  
through the net. This victory gives  
the Methodist side the cup this season  
which is the second in succession and  
they received a holiday to-day to cele-  
brate their victory. We congratulate  
them on their success.

NOT ROOM ENOUGH.—To show  
the interest that was taken in the  
Manufacturers' Exhibition a large  
number applied for space at the rink.  
They were unable to get space. The space  
for the stalls had to be reduced even  
for those who exhibited. Next year  
it is hoped that arrangements will be  
made to give all the room they want.

## Cable News.

Special to Evening Telegram.  
ROME, Oct. 31.  
Six deaths from cholera occurred  
in the Province of Caserta during the  
past 24 hours; only 3 new cases are  
reported during the same period, 2 in  
Caserta and one in Salerno.

Special to Evening Telegram.  
BELOTT PARK, N. Y., Oct. 31.  
Johnstone flying in a Baby Wright  
for the first time broke the world's  
record for altitude. He went up 47,  
714 feet, the previous record had been  
9,186 feet. Although his machine turn-  
ed turtle, Graham White won the  
speed race, his time being 14 hrs., 12  
mins., 12 secs. McCurdy was second,  
with the time of 25 hrs., 43 mins., 05  
secs. Graham White was uninjured.

Special to Evening Telegram.  
CHICAGO, Oct. 31.  
Four thousand striking garment  
workers attempted to make a demon-  
stration in the down town districts  
this afternoon, but were turned back  
by the police without disorder. The  
strikers tried to cross the river from  
the west side, first at the Rando  
Grandios Street Bridge, and then at  
the Madison and Harrison St. Bridges.  
At each crossing they were met by  
mounted policemen and finally gave  
up their attempt.

Special to Evening Telegram.  
NEW YORK, N.Y., Oct. 31.  
The striking expressmen gained ad-  
herents to-day when between 1,500  
and 1,800 workers of Monahan's Ex-  
press, the Boston Despatch and the  
Manhattan Delivery Company joined  
with them. The platform men of the  
American Express Co., at the Grand  
Central Station and the same com-  
pany's way bill clerks went out in  
sympathy. It had previously been re-  
ported that the Boston Despatch and  
the Manhattan Delivery Co. were in-  
volved, but the walk out did not oc-  
cur until to-day. More than 10,000  
men are now out demanding increased  
pay and shorter hours. There were  
many small disturbances in vari-  
ous parts of New York city to-day. At  
strikes attacked cars manned by  
strike-breakers. Stones and missiles of  
all kinds were thrown and several driv-  
ers and helpers were badly hurt. Wil-  
liam Hoyt, a helper on an American  
Express wagon, had his skull crushed  
with a brick and probably will die.  
All the disturbances were quickly  
quelled by the police, who dealt in  
no gentle manner with the strikers.  
Many arrests were made and heavy  
fines imposed. Policemen sat with  
the drivers of the 215 wagons of all  
companies that made deliveries in the  
city, and an escort of from one to  
three mounted patrolmen followed  
each wagon. It was announced at the  
strikers' headquarters this afternoon  
that a conference with Mayor Gaynor  
had been arranged for to-morrow  
when the representatives of the In-  
ternational Brotherhood of Teamsters  
will make formal protest to the Mayor  
against employment of the Municipality  
police as guards on the wagons of the  
express companies. It was stated that  
a meeting of the executive heads of the  
local unions had been arranged to-  
morrow to discuss the advisability of  
calling a general strike of every-  
thing on wheels in the city affiliated  
with the unions except railroads. The  
loss to perishable goods still con-  
tinues to be heavy over the river. In  
New Jersey there was no disorder to-  
day.

### Kelligrews Notes.

After three years of successful  
work as teacher of Codner School, Mr.  
W. T. Payne has left for Montreal  
where he will enter the theological  
College to study for the ministry. May  
his work there be crowned with suc-  
cess.

Mr. D. R. Bailey has now been ap-  
pointed Principal of the school at  
Codner, ably assisted by Miss J.  
Greene. Mr. Bailey entered on his  
duties to-day and we predict for him  
a full measure of success in his  
sphere of work. Previous to his ap-  
pointment here Mr. Bailey taught  
school at Upper Gullies, where his  
devotion to school and church work  
earned him the respect and esteem  
of the community.

The Rev. E. K. H. Caldwell, who  
was forced to take a trip to Canada  
for the benefit of his health, has re-  
turned looking much better. We hope  
the rev. gentleman's health will ere  
long be fully restored. Mr. Cald-  
well accompanied him on his trip.

The church at Foxtrap has been  
newly painted and varnished inside  
and presents a pretty appearance, the  
work being done by Messrs. Butler  
and Mercer.

The topic of conversation here is  
the loss of the Regulus and her crew.  
Why not open a subscription in all  
outport settlements to help the widow  
and fatherless?

### Newfoundland Mission- ary Volunteers.

Epochal Meeting Last Night.  
The Lecture room of Gower Street  
Methodist Church was filled last  
evening with an enthusiastic gath-  
ering of young people to lis-  
ten to addresses from the Metho-  
dist Missionary Deputation from Can-  
ada, the Rev. Messrs. Stephenson,  
Marshall, Hartwell and Bond.  
A wonderful display of missionary  
literature was shown under the di-  
rection of Dr. Stephenson, the well-  
known Secretary of Forward Move-  
ment for Missions among the young  
people of Canadian Methodist Church,  
who has done more than any other  
in marshalling the young people of  
that Church to the support of For-  
eign missions. His address was  
remarkable influence with young  
people were fully shown in his ad-  
dress last evening. If the young  
people present did not see their duty  
and privilege in regard to the  
claims of the mission fields at home  
and abroad it was certainly not his  
fault. If ever there was a live wire  
it is certainly this most versatile and  
devoted man, and it is impossible  
to be in contact with him without  
catching a spark of the enthusiasm  
which consumes him.

The Rev. Messrs. Marshall and  
Hartwell also gave admirable ad-  
dresses. Mr. Marshall was never heard  
to better advantage in this city. Mr.  
Hartwell for nineteen years a Meth-  
odist Missionary in Western China  
in ample and most vivid fashion gave  
an account of his pioneer work in the  
province of Szechwan, two thou-  
sand miles up the great river Yangtze.  
The Methodist young people of New-  
foundland unite in supporting there a  
young medical missionary, Dr. W. J.  
Sheridan, and Mr. Hartwell interested  
his hearers greatly in describing him  
and his work.

Then the Rev. Mr. Bond took the  
platform and briefly told of his visit  
to China and the mission work which  
he had seen there. He then spoke of  
the remarkable work of the "Student  
Volunteer Missionary Movement,"  
which is sending thousands of the  
bravest and most energetic young  
men and women of the colleges and  
Seminaries of the United States and  
Canada into the foreign missionary  
field, and appealed for Newfoundland  
volunteers to join this great move-  
ment. No less than twelve young  
men and women responded to the  
call, some as having previously de-  
cided and others as offering them-  
selves for the first time and a Mis-  
sionary Volunteer Band the first in  
the history of Newfoundland, was at  
once formed.

The gathering in the College hall  
to-night in connection with the  
Methodist Branch of the Laymen's  
Missionary Movement will undoubt-  
edly be a remarkable meeting.

ABOUT PIANOS. Have you tried  
the old established house for a piano  
instead of the side lines of chance  
men who endeavor by ingenious  
statements to mislead and land on  
CHESLEY WOODS.—The White  
Piano and Organ Store.—Oct. 21st.

CASE OF THE TINSMITHS.—At the  
Star of the Sea hall to-night a  
meeting of the representatives of the  
different unions will be held when  
the question of the Tinsmiths strike  
will be discussed and a decision will  
be arrived at as to the best course to  
be adopted.

ALL SAINTS DAY.—To-day being  
the Feast of All Saints, masses were  
celebrated at the Cathedral and St.  
Patrick's at the same hours as on  
Sunday. Prayers will be conducted  
this evening at these churches at the  
usual hour.

A PITTABLE SIGHT.—This fore-  
noon two young men of the emigrant  
class who are passengers by the  
Siberian, walked down Water Street  
in an advanced state of intoxication.  
They were accompanied by two young  
girls who were if possible in a worse  
state than their male companions.  
Such a sight is rarely witnessed in  
St. John's for few if any of the wo-  
men folk indulge in liquor. The in-  
cident attracted much attention.
