ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

Heal With Heat!

Pain and soreness is a sign of congestion. The blood is improperly circulating somewhere. Heat relaxes the parts and equalizes the circulation. The prompt application of a HOT WATER BOTTLE will cure many ailments quicker than internal medicine—and it's a natural way of curing. This modern appliance is apt to be needed any hour in the home. Costs too little to be without—\$1.00 to \$2.50, with several prices in between.

Come to us when you need anything a good drug store ought to have—it's here, and we'll take pleasure in showing you how well we can serve you.

Typewriters at a Bargain!

A FIRST-CLASS Typewriter at \$65.00.

Exactly the same as that we sold one of the largest local manufacturing companies 5 years ago, and which, writing to us in Nov. of last year, they said: "The Typewriter purchased on March 4th, 1913, is exactly the same as you represented it at the time of sale, and is still giving entire satisfaction." You can have the same service and the same selection if you buy your Typewriter from us, for every Machine we sell carries with it a DOUBLE GUARANTEE—the Manufacturer's guarantee and our guarantee.

We have also just received a WIFE CARRIAGE UNDERWOOD TYPEWRITER, only one, you get it for \$60.00, which is from \$50.00 to \$75.00 less than you can buy this Machine anywhere to-day. Come in, and see it. If you can afford to pay \$50.00 for a Typewriter, come in and see the No. 1 REMINGTON we have, that we are selling at \$50.00; you never saw a greater bargain. No excuse to do without a Typewriter now—at these prices it is a necessity. Remember, we guarantee them, and remember we are saving you from sixty to eighty dollars, according to the Machine you buy.
