# LOOK WELL

To the Boys and Girls.

If They Are Delicate and Sickly, Paine's Celery Compound Will Make Them Strong and Robust.

Boys and girls who are ailing, weak and sickly are suffering from a weakened condition of the nervous system. The nerves, tissues and muscles of our boys and girls are extremely delicate and sensitive, and quickly disturbed by ill health,

When you find your dear ones nervous, cross, irritable and weak; when you do not sleep well; when they have headache, variable appetite, sallow skin, sunken eyes, and skin troubles, be assured the blood is foul and thin, and nervous force is at a low ebb. Children with weak stomachs and weak organs of assimilation cannot thrive on their ordinary daily diet. They are in need of a special nerve medicine, tonic and blood cleanser like Paine's Celery Com pound, noted for its wonderful flesh build. ing and nerve bracing qualities. Paine's Celery Compound is the great and only true medicine for weak and frail bodies and unstrung nerves; it has no equal as a medi-

cine for the young.

In the post, grateful parents in every part of our Dominion have gladly testified to the great work that Paine's Celery Compound has done for their children.

Westrongly counsel mothers and fathers to have their boys and girls use Paine's Celery Compound at once if they are not howing signs of healthy and natural growth. Paine's Celery Compound is pleas. ant to the taste, free from all dangerous narcotics, and cannot harm the most delicate child.

#### Rheumatic Sting.

SOUTH AMERICAN BHEUMATIC CURE SWAYS
THE WAND AND SUFFERING CEASES IN A

Mr. A. S. Kennedy, 44 Sussex Ave. Toronto, says: "I had been attacked very frequently with acute muscular rheumatism, affecting my shoulders and arms. I used South American Rheumatic Cure and found immediate relief after dose or two. My family have used this remedy with the most satisfactory results I think it truly a very efficacious remedy for this very prevalent ailment."
by J. E. Richards and E. A. Caughell.

"How was the county fair this year?" "Best that ever was held in the county." "Were the exhibits larger than usual?" "The exhibits? Idon't know. I didn't see any of them." "The horseracing was better than any they ever had before, I suppose ?" "Idon't know. I didn't see any horseracing." "What were you doing?" "I was taking in money. I'm the treasurer."

#### A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard street, Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had com pletely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal chest, and I can now sleep soundly, some thing I can scarcely remember doing be fore. I feel like sounding its praise throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest of Lunge. Price 50 cents and \$1.00 at any drug store; every bottle guaranteed.

"I think," said she, "that I shall go to the fancy ball as a tax list." "I comprehend," said he, with his customary quick ness "Von wish to represent something that will permit you to not have on more than half you ought to."

## Robbed the Grave.

A startling incident, of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no ap petite-gradually growing weaker day by day. Three physicians had given me up. Forutnately, a friend advised trying Electric Bitters ;' and to my great joy and surprise, the first bottle made a decided im provement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50 cts. a bottle, every bottle guaranteed, at any drug store.

An Advance From 21 Cents to 40 Cents a Dozen in Pittsburg-Hens Frozen in the Blizzard.

Pittsburg, Feb. 25.—There is a corner in eggs here, and prices have advanced from 21 cents to 40 cents a dozen.

Last week H. D. Miller of Philo, Muskingum County, Ohio, arrived in Pittsburg and quietly started in to buy eggs. In a few days he had secured 1,000 cases, or 30,000 dozen, and now he has the market cornered. Before coming to Pittsburg, Miller went out among the poultry farms and found that the hens had been frost bitten during the blizzard. As it takes them several weeks to recuperate, Miller says eggs will be selling a nickel apiece before Easter. Pittsburg, Feb. 25.-There is a
