STOCK MARKETS.

H. C. Becker, broker, Bank of Commerce
building, received the following by
private wire from Bartlett, Frazar &
Carlington today:

New York, July 20.—Although
prices at the opening were lower than
Saturday's close, there was no particular
pressure to sell, except in Rock Island
and Amalgamated Copper, preferred. The
persistent pressure on these stocks gradually
spread to the rest of the market.
Until toward noon there was extreme
weakness, and at times almost demoraliza-
tion. Such selling, however, was
possibly explained by the usual news-
paper talk of a bear raid. It was un-
doubtedly due to forced liquidation by
big interests, and there is a feeling of
great uneasiness. The decline will result in disaster.
The situation is most discouraging and de-
pressing. Selling to noon, 38.30 shares.
