LOCAL MARKET.

London, Thursday, Aug. 10.
Very little can be said of the market this morning, as the attendance of farmers was light. Considerable grumbling was indulged in by the farmers at the way the Hinch shows were allowed to take up the space usually occupied by the farmers. They claim that it is an injustice to the farming community to allow the square where thousands of dollars are spent in business during the week, to be utilized for such purposes. Sales were fairly brisk for all the produce offered, excepting for a few classes of vegetables.

Grain-Oats have been scarce all week, as there have only been about five loads of oats sold today. The price of oats is \$1.10 to \$1.15 per bushel. New wheat is selling at 80c per bushel.

Hay and Straw-There were 10 loads of hay offered; sales were brisk, at \$7.50 per ton. There were 10 loads of straw offered; sales were brisk, at \$2.50 per ton.

Butter and Eggs-Butter was in good demand today; sales were brisk, at 15c per pound. Eggs were in good demand today; sales were brisk, at 15c per dozen.

Vegetables and Roots-Potatoes sold slowly at 60c per bushel. Tomatoes sold at 10c per bushel. Cabbage sold at 10c per bushel. Carrots sold at 10c per bushel. Onions sold at 10c per bushel.

Fruit-There was a large supply of fruit in the market today. Apples sold at 10c per bushel. Pears sold at 10c per bushel. Plums sold at 10c per bushel. Grapes sold at 10c per bushel.
