At present when hose reckless joility. His eyes began to its attached to the pipes pedestrians. is attached to the pipes pedestrians are obstructed. Chairman Darch yes!" Stuled wiped his face stated that on account of the great length of hose required to run from the vatering carts to the hydrants there was always a large amount of water poured on the street. Some people also objected to the carts taking water in front of their residences. The board will comply with the request of the council as far as possible, but it will recommend that the council procure new valves for the water wagons. Chairman Darch said that inquiry had been made of him by the owners of Cushing's icehouse regarding better fire protection. At a fire there recently the combined hose of the brigade was only sufficient to lay one line. The board could do nothing, however.

The report of Pumping Engineer Simmle from April 1 to 15 showed that a total of 53,432,398 gallons had been The minimum daily amoun was 2.990,041 gallons, and the maximum 3,959,181 gallons. The average daily output by the pumps was 3,562,160 gallons. The highest point to which on the board of trade today say the water rose in the reservoir was 13 that if the present weather continues Those present were Chairman Darch.

Mayor Campbell, Engineer Moore and Secretary Ellwood.

STILL UNDECIDED

Richmond Street Property Owners Cannot Agree On a Pavement.

Fourteen property-owners of Richmond street met in the Western Hotel last night and endeavored to come to a decision regarding the best class of pavement to lay on the street. meeting proved a very stormy and unsatisfactory one, however, and nothing was done.

A motion to ask the council to lay a but the other seven opposed it to

A motion was then put by ex-Ald O'Meara, seconded by B. J. Wartig, that the property-owners ask the board of works to call for tenders for asphalt asphalt blocks, vitrified brick and bitthe motion, and it was lost on a tie. The bitulithic motion, which was also lost, was moved by John Lashbrook. The meeting was presided over by

BOLE DRUG CO., Dept. X, Winnipeg, Man.

STOP! WOMEN AND CONSIDER THE **ALL-IMPORTANT** FACT That in addressing Mrs. Pinkham you are confiding your private ills to a woman -a woman whose experience with woman's diseases covers a great many years. You can talk freely to a woman when it is revolting to relate your private troubles to a man-besides a man does not understand-simply because he is a man. Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great. Mrs. Pinkham's Standing Invitation: Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her! advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she

does not take advantage of this generous offer of assistance. - Lydia E. Pinkham Medicine Co., Lynn, Mass. Following we publish two let-
