ASSIZES AT SARNIA

No Criminal Cases on the Docket-Boats Prepare for Winter.

Sarnia, Sept. 22.-At the Lambton fall assizes, which opened here yesterday, Mr. Justice MacMahon presided in place of Mr. Justic Chute. who took Mr. Justice MacMahon's Toronto assignment. The services of a grand jury were dispensed with, as there were no criminal cases on the docket. In regard to the damage suit of Amadee Allard vs. the Cleveland-Sarnia Saw Mills Company, his lordship told the jurors that they would be required to accompany him to view the scene of the accident so that they would be in a position to understand the evidence, if the case went to them for trial. It was possible that he might dispose of the case himself without the intervention of a jury. Joseph Martin, of Point Edward, who has been ill at the Sarnia General Hospital, returned home yesterday.
