Magnificent Bequests.

The late Joseph O. Hutton, of St. Marys, who died recently, left bequests

amounting to \$22,000 to the English Church there. The interest is to be used for the payment of the debt upon

the church hall, which cost \$8,300, and

Taylor.

VEGETABLE DAY ON LOCAL MARKET

Biggest Supply of Season Was Offered on Local Square This Morning.

BUTTER WAS SNAPPED UP

Live Hogs Will Bring \$9 25 Per Cwt. or Better on Monday

The biggest supply of vegetables of the season was offered on the local market this morning, and despite the fact that quantity was about twice as large as Saturday, prices remained decidedly

All butter was taken up as soon as it reached the square, and dealers had the greatest difficulty in securing a supply. Oid potatoes are very scarce; but the new ones are plentiful, at \$1 25 per bu.

Although there will be no market on Monday, the local hog buyers will be on band at the market scales for the regular weekly shipment. The price has not as yet been set, but it will likely be \$9 25 per cwt or better.

C. A. ROSS, Manager

ommittee No. 1 or the manufacturers' pared embodying the recommendations committee shall from time to time and sent on to the council.

Those present at the meeting were The report was adopted and referred Ald. Richter (chairman), Ald. Eckert, to No. 1 committee, which committee, Ald. Underwood, Mayor Beattle and t is expected, will have a by-law pre- Secretary Baker

be done. The committee after careful INFANT MORTALITY HEAVY consideration vesterday decided that it DURING THE MONTH OF JULY

Totals Up to 42 Per Cent-Only One Death From Consumption -Stork Was Busy-Dan Cupid Was Attending To Business

About 42 per cent of the deaths dur- 1909, when four deaths were regis-

rather a striking percentage. During the month, there were 59 deaths recorded. Of these 24 were of pneumonia

The majority died of cholera infantum, and kindred diseases, due largely matter should be taken up later in the to the very hot dry spell, prevailing in Municipalities Convention. Every city the early part of the month. The mortality was particularly heavy at that time, especially among the infants. Eleven people above 70 years of age died during the month.

Other Causes.

ing the month of July were of infants, tered.

Two died from cancer. There were four deaths by accident, two of which were by drowning, and two died from

The total deaths for the month totalled 59 as compared with 47 during July, 1909, rather a decided increase, Stork Was Busy.

The Stork was busy, much more so than last year at this time. The number of births numbered 90, as compared with 85 last year, a favorable increase.

Dan Cupid showed to a little better There was only one death recorded cause excitement. Fifty-three couples advantage, but not so much as to as due to consumption. This is an were married during the month, as improvement over the same month of compared with 52 in July, 1909.

G. T. R. ENGINEERS AND FIREMEN GATHER FOR A DISCUSSION

Toronto, July 30 .- "We can't afford and Enginemen, who arrived in Toto let the men be beaten, for the simple ronto yesterday in response to a spereason that their defeat would have a clair request from Mr. Garretson.

The presence of Mr. Carter at engineers, whose arrangement with negotiating point of the strike game the company expires soon, and if it and in conference with the strike should be found necessary you will find leaders is significant, and the importthe engineers and firemen out also ance attaching to it is amplified by which Mayor Beattle and Col. Gart-rather than let the trainmen be beaten the information that Mr. W. S. Stone, shore will attend.

This suggestive statement was made Brotherhood of Locomotive Engineers, last night by a local fireman who will will be in town today. A conference form one of a deputation to Mr. W. S. of representatives of both bodies is Carter, international president of the to be held here and will be followed

1. To encourage the establishment in London of new industries and branches 2. To procure information with referto persons and corporations who are seeking to locate manufacturing plants and shall use reasonable efforts

to place before them the advantages of the City of London, 3. To establish and maintain a bureau of publicity for the purpose of afford-

ities and advantages. 4. To tabulate in convenient form all information which he shall be able to gather which may be of any assistance

5. To advertise London in other countries as a commercial and manufacturing city, as a convention city and as an objective point for tourists.

6. To prepare and keep up-to-date an illustrated booklet exhibiting London's advantages 7. To report all industrial applications to the manufacturers' committee

8. To perform such other duties as

and No. 1 committee.
