IN TOBACCO DISTRICT

Report Says \$100 Per Month and Board Is Being Paid. BLENHEIM. Feb. 4.—That farm wages are soaring is apparent from reports received here of amounts that are being asked and offered in this district for men to work by the year or month for the coming season. The large returns received last year from the tobacco and sugar beet crop, together with the steady increase of the cost of living, is said to be the reason of the increases.

One farmer and fruit grown II.

One farmer and fruit grower, Talbot road west, is said to have engaged a man for ten months for the coming season at \$100 per month and board. This is the highest ever known in this part. From \$40 to \$60 has been paid by some of the farmers for men during the winter months. OWEN SOUND PREPARES
