Question of Affiliation of Labor Organizations Is Discussed at Western Pederation Meeting.

BUTTE, Mont., July 26 .- The question of the effect and value of the affiliation of the Western Federation of Miners with the American Federation of Labor was discussed at some length at the convention of the miners 'organization today. The discussion arose over a resolution that the convention request all international organizations to notify their members in the metaliferous industry to deposit their cards with the local of the Western Federation of Miners in their respective localities.

The representatives of the United Mine Workers of America were asked Montreal have made over 150 arrests on to give their views upon the question. William Green and Duncan McDonald responded.
