TO THE FREEHOLDERS OF
CHARLOTTE.

Gentlemen,—
At the forthcoming election of rep-
resentatives for this county, I intend to offer
myself as a candidate for your suffrages.
Time will not permit me to visit you per-
sonally.

My political views have so recently been
expressed both in my address and at the Hus-
tings, that I need not repeat them. I will
again announce them at the Hustings.

The present state of the Province (arising
in a great measure from bad legislation) is
deplorable, and it must be the work of time,
prudence, and retrenchment to restore it to
a better condition.

If you think I can serve you in this emer-
gency you can say so by returning me. I wish
no man to vote for me from personal feeling
to myself, but simply and solely from the con-
sideration that my services may be useful to
the country in its present depression.

Should I be honored by your confidence, I
will not betray it. I will only profess what
I feel—and honestly try to fulfil what I pro-
mise at the Hustings.

I am Gentlemen,
Your obt. servant,
GEO. J. THOMSON.

Stammering Cured!

DR. BRONSON, AND C. C. BEERS.
ARE happy in announcing that STAMMER-
ING can be PERMANENTLY CURED by
Medicine and Vocal Gymnastics. It is first treated
as a Nervous Disease, (like St. Vitus' Dance,
Epileptic Fits, &c.) and then the habit, incident
to the disease, is corrected by exercises in Elo-
cution. Mr Beers has been an inveterate stam-
merer for thirty-five years; has attended many
institutions for the cure of stammering, and ex-
pended hundreds of dollars without any perma-
nent benefit, but cured himself, 18 months ago,
and has ever since remained so: With the
same means, we have cured others, to whom we
would gladly refer any applicant, not having
failed in a single instance. Being satisfied from
reason, experience, and observation, that stam-
mering is the effect of a NERVOUS DISORDER, and
can be perfectly cured by the above means in the
course of two or three weeks, we assure all in-
terested of these gratifying results, and guaran-
tee a permanent cure, or refund the small fee
paid in advance. Those desiring further infor-
mation on these subjects, (including terms,
guaranty, &c.) can obtain it from our New
Work, just issued, on Stammering, its Effects,
Causes and Remedies: Illustrated by One Hun-
dred Engravings: Price, One Dollar; on the
receipt of which the Book will be sent without
expense, and the money thus paid will be credit-
ed in the bill for Treatment. Board, etc, fur-
nished on reasonable terms.—Address BRONSON
& BEERS, 139, Washington-street, Boston, Ma

AYER'S PILLS.

A new and splendidly successful remedy for the
core of all bilious diseases—Constipation, Indi-
gestion, Jaundice, Dropsy, Rheumatism, Fevers,
Headaches, Nervousness, Irritability, Indurci-
tions, Headaches, Pains in the Breast, Side, Back,
and Limbs, Female complaints, &c., &c. Indeed,
very few are the diseases to which a Purgative Medi-
cine is not more or less required, and much sick-
ness and suffering might be prevented, if a harm-
less but efficient Cathartic were more widely used.
No person can feel well while a habit of bilious-
ness prevails; besides it soon generates serious and
often fatal diseases, which might be avoided by
the timely and judicious use of a good purgative.
This is like the true of Chills, Fevers, rheumatism, and
Bilious derangements. They all tend to become or
produce the deep-seated and fatal bilious diseases
which lead the horses all over the land. Hence a
reliable Cathartic is one of the first necessities to
the public health, and this Pill has been purgative
with commendable skill to meet that demand. An
extensive trial of its virtues by Physicians, Progres-
sive, and Patients, has shown results surpassing
anything hitherto known of any medicine. Cures
have been effected beyond belief, even those not sub-
stantiated by persons of such exalted position and
character as to forbid the suspicion of untruth.
Among the eminent physicians to whom we are
allowed to refer for these facts, are:
Prof. VALENTINE MORT, the distinguished Sur-
geon of New York City.
Wm. A. HAYES, Practical Chemist of the
Port of Boston, and Geologist for the State of Mas-
sachusetts.
Vera L. MOORE, M. D., an eminent Surgeon and
Physician, of the City of Lowell, who has long used
them in his extensive practice.
H. C. BOWEN, Esq., one of the first sur-
geons in New York City.
These Pills, the result of long investigation and
study, are offered to the public as the best and
most complete which the present state of medical
science can afford. They are compounded not of
drugs themselves, but of the medicinal virtues
only of Vegetable remedies, extracted by chemical
process, in a state of purity and combined together
in such a manner as to insure the best results. This
system of compounding for medicine has been found
in the Cherry Pooter Land Pills both, to produce a
more efficient remedy than had hitherto been ob-
tained by any process. The reason is perfectly ob-
vious. While in the old mode of compounding,
every medicine is burdened with more or less of ac-
cumulated and injurious qualities, by this, each in-
dividual virtue only that is desired for the curative
effect is present. All the hurt and obnoxious qual-
ities of his salubrious emperors are left behind, the
curative virtues only being retained. Hence it is
self-evident the effect should prove as they have
proved more purely, more safely, and the Pills a more
powerful antidote to diseases than any other
medicine known to the world.

As it is frequently expedient that any medicine
should be taken under the counsel of an attending
Physician, and as he could not properly judge of a
remedy without knowing its nature, we have pre-
pared the accurate Formula by which both my
Pectoral and Pills are made to the whole body of
Practitioners in the United States and British Amer-
ican Provinces. If however there should be any
one who has not received them, they will be
promptly furnished by this company. I have no
satisfactions.

Their application of my preparations is left open
to all men, and all who are competent to judge on
the subject, freely acknowledge their convictions
of the efficacy of my Pectoral and Pills, and have
pronounced by scientific men to be a wonderful
medicine under their effects were known. Many ex-
cellent Physicians in the United States and British
Provinces, and even more confidently, and are will-
ing to certify that their preparations were more
than equal to the effects of any other medicine.

They operate by their powerful influence on the
internal vessels, to purify the blood and stimulate it
into healthy action—remove the obstructions of
the stomach, bowels, liver, and other organs of the
body, restoring their irregular action to health, and
by correcting wherever they exist such derange-
ments as are the first origin of disease.

Being sugar wrapped they are pleasant to take,
and being purely vegetable, no harm can arise from
their use in any quantity.

For minute directions, see the wrapper on the
Bottle.

alytical Chemist, Lowell, Mass.
