SYMPATHIZING WITH EACH OTHER

With the Spectator's circulation perhaps the price of newspaper is not seriously affecting its proprietor. Thursday's paper which reached us the following Monday, evidently being a little late going to press, contains this paragraph:

In regard to the purchase of the Middleton Outlook by P. E. Black, who has come from the great North-west to settle in Nova Scotia with a goodly measure of western vigor and confidence that should not be discouraged, it is curious to find the Middleton Outlook congratulating Mr. Cox upon the sale, and the Daily Courier predicting that Mr. Black will have difficulty in attaining his objective. This sounds as if the MONITOR man were himself having a hard row to hoe and the Courier were putting up a big bluff. The fact is that the Middleton Outlook has one of the best plants, and buildings in the Province and if Mr. Black is white and honest and works hard he ought to get his full share of prosperity.

PRESENTATION

The recent meeting of the Women's Auxiliary of St. Mary's Church, Belleisle, was unusually interesting by reason of a presentation to one of the members—Mrs. M. O. Wade—previous to her departure to Boston to spend the winter. Mrs. Wade has been a most consistent member of the auxiliary ever since its inception, and this occasion was deemed an opportune time to show some appreciation of her worth. The meeting which took the form of an "At Home" was held at the residence of the President, Mrs. A. K. Lyle, who subsequently, on behalf of the subscribers, presented Mrs. Wade with a handsome "Club Bag". Mrs. Wade was completely taken by surprise. This she voiced in a touching speech in which she thanked her fellow members for this expression of their kindly feeling toward her. It is hoped that Mrs. Wade will return in the Spring.

NEW EVAPORATOR AT AYLESFORD

On Monday a meeting of the directors of the United Fruit Co., was held at Aylesford. The directors inspected the new evaporator just completed under the supervision of Capt. J. W. Salter, of Bridgetown. The evaporator is a large one with machinery of the most improved type. The building was constructed by Messrs. Denton & Condon, of Digby, and Kentville, from plans prepared by Mr. L. R. Funn, architect, of Aylesford.

A HINT TO OUR MERCHANTS

Now that nearly everything, with the exception of paper, is on the decline in price, it is up to the merchants to run big ads in the local paper, stating their lowest cash figures for all kinds of goods. It's figures that count. An offer of so much per cent discount is trouble some for many to figure. Give the MONITOR readers the plain figures of what your goods were selling for, and what you will take for them today. Try it if you want to get quick results.

A WARNING TO GROCERS

The Nova Scotia Wholesale Grocers' Guild has issued a trade letter warning against panicky feeling because of decreasing prices of some commodities. "Business will go on," says the letter, "no matter what happens. Nova Scotia has 450,000 people to feed, clothe and shelter, which means business. Don't cry hard times," the letter concludes, "but run big ads in your local paper and preach optimism, economy and thrift, and keep smiling."

Washed Ashore at Hampton

Several thousand pieces of first quality of deals, the lost deck load of an outward bound vessel washed ashore at Hampton and other places along the Bay of Fundy shore last Saturday. Quite a lot of this good lumber has been picked up and piled up out of the way of the tide.

Local Happenings

An Ottawa despatch says that another drop of \$5.00 per thousand has been made in the sales price of spruce lumber. The prices of all grade of pine are recorded to be holding absolutely firm.

The price of sugar took another drop at New York on Tuesday, when the Federal Sugar Refining Company, reduced its list prices to the basis of \$8.75 for fine granulated, a new low record for the season.

As the automobile is about to be put in storage for the winter, the price of gasoline comes down a notch. Perhaps next summer, as The Boston Transcript suggests, after the furnace fire out, there will be a shading of the price of anthracite.

The first boat chartered by the United Fruit Company this season to carry apples to the English market has arrived at her destination and her cargo has been disposed of. The price netted to the shippers for the full cargo is seven dollars a barrel.

We have been requested to insert the following: "In the extract from the Wesleyan published in last week's issue, there appears an error which needs correction. The Methodist Congregation and the Presbyterian Congregation of Bridgetown are NOT united."

Many people appear to get the Luxury tax and Sales tax mixed. There has been some report of having the sales tax cancelled, but no official action has been received. There appears to be no hope of the government taking off or reducing the luxury tax.

A handsome new sleeper attached to the D. A. R. fast night freight passed through Bridgetown Monday morning and it is to be used on that popular train for some weeks, while the one which inaugurated the service is returned to Montreal for cleaning, remodelling and painting. The new car is named "Overton."

WEDDING BELLS

COLDWELL—TREVROY

On Wednesday, November 10th, at 10.30 a m a very quiet, but pretty wedding took place at the home of Mr. and Mrs. James Trevoy, Brighton, when their eldest daughter, Nellie Minerva, was united in marriage to Clifford Mearle Coldwell, Gaspeau.

The ceremony was performed by the Rev. D. M. Farquhar, the double ring service being used. The bride was becomingly attired in a gown of white crepe de chene, and took her place beside the groom under an arch of evergreen and yellow chrysanthemums. The parlor was prettily decorated with ferns and potted plants, the color scheme being yellow and green. Immediately after the ceremony a luncheon was served and followed by every good wish of their many friends. Mr. and Mrs. Coldwell left by auto for Digby en route to St. John on a short wedding trip. They will reside in Gaspeau. The bride's traveling suit was navy serge with velvet hat to match. The groom's suit was of blue serge. The bride is a graduate of the Provincial Normal College, Truro, of the Class of 1918 and since that time has been a successful public school teacher.

DAVIS—HARRIS

A very quiet wedding took place on Friday morning, Nov 19th, at 10.30 o'clock, at the home of Thaddeus Harris, Bear River. The occasion was the marriage of his second daughter, Alice Gertrude, to Charles Byron Davis, of New Haven, Conn. Only the immediate family were present. The bride, who is one of the fairest of Bear River's daughters, looked very lovely in her wedding gown of pastel blue satin very heavily embroidered. She was accompanied by Rev. W. J. Wright, who performed the ceremony, after which a very dainty lunch was served. The bride's going away dress was of navy blue broadcloth with large velvet hat to match. She will be much missed in the Methodist Church, where she was an active member, being in the choir for a number of years, and a teacher in the Sabbath school. The best wishes of a host of friends follow the young couple to their home in New Haven.

SOLLOW—BINGAY

A wedding which will be of much interest in several parts of Nova Scotia took place at Port Maitland at 7.30 Saturday morning, when Miss Honoria, the youngest daughter of Mrs. Capt Thomas Bingay of that place was married to Merrill Sollows, of Prince Rupert but formerly of Digby, Digby county. Rev. Gordon T. Lewis, acting pastor of Holy Trinity church, Yarmouth, conducted the service which was witnessed by members of the immediate families of the bride and groom.

The bride was gown in a traveling suit of navy blue broadcloth. She carried a bouquet of white mums. The bride and groom were unattended.

After the service a wedding breakfast was served after which Mr. and Mrs. Sollows motored to Helton, where they boarded the east bound D. A. R. express for a trip through the Annapolis Valley, returning to Port Maitland, where they will spend several weeks before proceeding to the groom's home in Prince Rupert.

MACDONALD—WILLIAMS

A pretty wedding took place at 548 Robt street Halifax, last Wednesday evening, Nov 24th, when Rev. E. E. Daley united in marriage Mr. E. E. Daley of the Colonial Austin Macdonald, of Bridgetown, and Miss Kathleen A. daughter of Mr. and Mrs. B. M. Williams, of this town.

The couple were attended by Miss Pearl Wade, of Bridgetown, and William Macdonald, of Halifax, the ceremony being witnessed by a few of the immediate relatives and friends of the bride and groom. The bride was becomingly attired in a pretty travelling suit of brown. Mr. and Mrs. Macdonald after spending a few days at the Carleton House, arrived here via Saturday night's express and will reside here for the present. The happy couple have a circle of friends both in Nova Scotia and New Brunswick who will join in wishing them best wishes for a long, happy and prosperous wedding life.

The bride was given a miscellaneous shower the previous Saturday evening at the home of her parents, Washington Street.

SHEEHAN—CAMPBELL

A quiet wedding took place Friday night 315 German Street, St. John, Mass., but also in many in Nova Scotia, took place in the former city Wednesday evening when Miss Ruth Hemmendinger, of Mattapan, became the bride of Benjamin B. Cann, of the Boston and Yarmouth liner, Prince George.
