

—Here is another flattering testimonial from a wellknown musical connoisseur, Mr. G. Couture, choir master of St. Peter's Cathedral, musical director of the Philharmonic Society, etc.

Montreal, 15th Dec, 1893.

L. E. N. PRATTE,  
Montreal.

Dear Sir,

It is with real satisfaction as a musician and pride as a Canadian, that I wish to congratulate you on the "Pratte Piano" of which I have lately become the possessor.

The care with which you have avoided the undesirable qualities found in other pianos and the choice of the best materials combined with judicious improvements, makes your piano one of the most satisfactory and perfect instruments one could desire.

Allow me to congratulate you and at the same time express my admiration.

G. COUTURE.

**NOTES AND NOTICES.**

—The names "Massey" and "Harris" have long been household words with the farmers of Canada, but since they have been linked together to form Massey-Harris Co. Limited, their aim to give better goods at lower prices than ever has been singularly successful.

Their business has now grown to such dimensions that they have been obliged to cut it up into sections, each having its own management. Hence it comes that their trade in the Province of Quebec is completely under the management of their Montreal Office, while Ontario is managed from Toronto, Manitoba and the North-West from Winnipeg, Maritime Provinces from St. John, N.B., Europe from London, Eng., and Australasia from Melbourne.

On another page they call attention to their line of Spring goods which will well repay careful examination of Quebec Farmers.

**400 Helderleigh Fruit Farms Nurseries**  
(Four Hundred Acres in Extent.)

ESTABLISHED 1882.  
There is no place in Canada where the season is longer than here. Hence we get trees brought to the fullest maturity, capable of withstanding the severest cold. Having one hundred acres in fruit, from which cuttings, buds, scions, etc., are taken, I can safely guarantee the purity of my stock to be equal, if not superior, to any other nursery. The soil is specially adapted to produce vigorous, hardy trees, a grand lot of which are now growing and for sale. All the leading sorts of both old and new varieties deemed worthy of propagation. Catalogues free on application. Agents wanted in every township.
