Does This Interest You?

We have removed our business from 63½ King street west to more commodious premises at 81 King street west. We are the only well-known retail firm in Toronto doing business in teas, Coffees and Cocoas exclusively. We can assure you that our reputation as purveyors of high class products will in the future be adequately maintained, while our added space and conveniences will enable us to give even better satisfaction than heretofore. Mr. H. P. Mullen has recently been admitted as a member of the firm. We hope to receive your continued support, and will be glad to have your orders. We remain,

Yours faithfully,
