KERSHAW & EDWARDS,

ESTABLISHED

YEAR 1838.

IMPROVED FIRE PROOF SAFE.

The favor these Safes have won by their many
and severe trials during the last quarter of a century,
from the fact that not one has ever failed in preserving
its contents, thoroughly establishes their reliability,
and with recent improvements made during the past
two years, we offer them as the most perfect Fire Proof
security extant, and free from dampness.

Our Burglar Proof Specie Boxes made of combined
iron and steel in a manner peculiarly our own, the
steel so highly tempered and placed as to be beyond the
reach of, and defy the tools of the most ingenious
burglars, and when placed inside of one of our Fire
Proofs produce a most perfect Fire and Burglar Proof
security. Merchants having large amounts of silver
on hand should not be without one.

We also manufacture Patent Combination Bank
Locks, and the most modern Bank and other securi-
ties.

Lists of sizes and prices mailed on application.

KERSHAW & EDWARDS,
