WHY WE GIVE YOU \$400 FREE.

Ten years ago we organized the HOUSEHOLD JOURNAL. We have spent since 1894 over ONE HUNDRED THOUSAND DOLLARS in advertising our magazine and now carry \$5,000 worth of advertising in every issue. We believe if we can increase our circulation by a liberal expenditure of money, we can prove to the many advertisers of America that the Household Journal is the best medium extant—so propose appropriating \$200 to the next month in free gifts to those who are willing to spend a few moments in an interesting and instructive contest.

READ CAREFULLY OUR LIBERAL OFFER.

We give below ten familiar adverbs or quotations. In each we have dropped words and replaced dashes. Now, we faithfully and honestly promise to give any person who sends us the correct list.

A PRESENT OF FOUR HUNDRED DOLLARS.

It will take a little time and care to send us the correct answers, but the effort will prove interesting and instructive and may be the means of laying the foundation of a fortune, as many of our wealthiest men have started with less than \$500. We do not expect but few correct lists, if any, but in case of a large number we will divide the Four Hundred Dollars equally between the persons sending the ten nearest correct lists, guaranteeing at least \$10 to each.

There will be many hundreds who will be unable to send full lists owing to limited education, inability of access to encyclopedias, reference books, etc., so to leave none disappointed in securing the \$400, will

GIVE TO ANY PERSON SENDING BUT 4 CORRECT ANSWERS

a present, selected according to nature and most number of correct answers, from the following articles: Columbia Encyclopedia, Chambers' Encyclopaedia, Webster's Tenth Edition, and the following articles: Diamond Pin Pair, Lace Curtains, or Set of Chambers' Encyclopaedia, and positively guarantee present to be worth from \$3 to \$100.

OUR LIST OF MISSING WORD QUOTATIONS.

NO EXPENSE TO YOU.

We do not want to make a penny on this offer as we are satisfied with future results for if we can allow advertisers a truthful bona-fide subscription list of 100,000, we can increase our income alone Fifty Thousand Dollars a year from advertising so in sending in your list send us but 4 cents for your subscription to our interesting magazine. This amount is credited to you, as we will not recognize any list unless amount is enclosed with letter, for we do not propose to award our gifts to parties who are not on our books as paid subscribers. We care not after the small sum (4 cents) for that barely pays the actual cost of post office or express order fee in sending the cash to successful contestants or expense of postage or express (as no send name prepaid) on our other gifts which every one receives who cannot correctly answer entire list.

OUR GUARANTEE.

Remember we are now ten years in existence and have established a reputation that is worth a half million of dollars, so we cannot risk any dissatisfaction, so if you have answered the numerous "Puzzle Contests" which are flooding the country and have been unfairly treated or unsuccessful, do not hesitate in recommending our offer, for we positively guarantee to refund any contestant the subscription fee, 25 cents. If not satisfied with our methods. We refer to any bank or mercantile agency of our financial standing and honest dealings. Distance of contestants makes no difference as our committee of awards are responsible business men of Philadelphia and will carefully examine each list. Write your name and address plainly, and direct letter with subscription entrance fee in silver or 15 cent stamp to
