

MONTREAL MINING EXCHANGE.

VIRTUE LEADS AGAIN AND WILL GO HIGHER — SLOCAN SOVEREIGN STRONG — GOLDEN STAR FIRMER.

Montreal, Oct. 30.

Mondays are proverbially dull days, and today was no exception to the rule, although prices did not suffer to any extent, but rather showed signs of strength, this was particularly noticeable in Virtue and Golden Star. The general tenor to the market was distinctly good, and the undertone firm.

Dividend talk was plentiful, and rumors were not wanting. Of the British Columbia mines, the last to pay a dividend is Ymir, the directors of which declared a dividend of one shilling per share, this is the first dividend declared by the Ymir gold mine company. They have also decided to increase their mill power to the capacity of 60,000 tons per annum.

Virtue sold repeatedly at 45, this is at an advance of $\frac{1}{2}$ a point since Saturday. It is in good demand and is on the road for higher prices. It was listed today on the Montreal Stock Exchange and sold as high as 47. It was selling on the curb between sessions at 47.

Golden Star had a firmer undertone, there were no sales recorded and offerings from the West were plentiful, it sold in Toronto Saturday as high as 31 $\frac{1}{2}$.

Slocan Sovereign remains firm, and should be bought on all recessions, it will be one of the first of the Slocan stocks to show improvement as soon as the labor troubles are settled.

Deer Trail was in good demand round 21 $\frac{1}{2}$ although the sales only amounted to 500 shares.

There was also a sale of White Bear at 3 $\frac{1}{2}$, 2000 shares being sold.

Mrs. W. L. Hogg, manager of the Investment Company, of this city, has lately bonded the Calumet and Kékia group of mines in Wellington camp, for \$80,000 from Randolph Stewart.

Sales were also made in Brandon Golden Crown and Payne, the former selling at 30 and the latter at 105.
