Fruit Inspection in the West.

The Commercial has been favored the following communication on J. J. Philp, Dominion fruit in-sector at Winnipeg: the Editor of The Commercial:

The Commercial:
Sir-Will you kindly allow me a
part of your valuable space for the
purpose of calling attention to the
Pruits Marka Act of 1901 and amendments of 1992. Acting under instructions of 1992. Acting under for the last
of part of the weeks visiting for one for
the most distant parts in the Territoris for the same purpose, viz., of meetser of the the purpose of the same purpose
to the they will be able to apply
it shen the fruit season comes around
again. I have not so far met a dealer as so that they will be able to apply it is shen the fruit beat so around a some around the she handles fruit but has expressed whe handles fruit but has expressed as in the she handles fruit but has expressed as the she handles fruit has been a form to have been a form to have been a form to handle so account of badly packed fruit, parallely should be to have been a form to have been a form to make a make the handle should be to have been a form the handle should be to have been a form to have been a form to have been a form the handle should be to have been a form to have been

form grade mark which is made ulovy. This is something that are been asking for in the west were afraid we would not get. following is a full copy of the ex-referred to. As they are public interest to all who con-ratif take the liberty of ask-or them a place in your columns, and the pleased if all your ex-sual be pleased if all your ex-tended to the place of the pleased in the place in their columns. I remain, yours truly,

Dominion Fruit Inspector.
The following are the amendments An Act to amend The Fruit Marks

His Mujesty, by and with the advice nd consent of the Senate and House Commons of Canada, enacts as fol-

ion 4 of The Fruit Marks Act.

tion 4 of The Fruit Marks Act, repealed, and the following is ed therefor: ery person who, by himself or the agency of another person, dt in a closed package, intendaft in a closed package, intend-die, shall cause the package to sed in a plain and indelible before it is taken from the where it is packed: With the initials of his Chris-ces, and his full surname and

With the name of the variety

th a designation of the grade which shall include one of the six marks, for fruit of the

first quality, No. 1 or XXX; for fruit of the second quality, No. 2, or XX, and for fruit of the third quality, No. 3 or X; but the said mark may be ac-companied by any other designation is not inconsistent with, or marked more conspicuously than the one of the said which is used on the said

package."

2. Section 6 of the said act is amend-Section 6 of the said act is amended by inserting after the word "of" in the fourth line, the expression "No. 1."
 Section 9 of the said act is repealed, and the following is substituted

sealed, and the following is substituted therefor:
"9. Whenever any fruit in any package is found to be so packed that the great state of the following is found to be so packed that the representation of the control of the package, any inspector charged with the enforcement of this act may mark the words 'fatisely packed in a plain great package, and the words' fatisely packed in a plain of the package, and the package is found to be falsely marked, the said inspector may efface such false marks and mark the words with the package is found indetible manner on the package.

3. The inspector shall give notice, by letter or telegram, to the package there is the package of the

package.

4. Section 12 of the said act is amended by inserting after the word "marked" in the third line, the words "or packed."

Board of Trade Council.

A meeting of the council of the board of trade was held Monday at 4 o'clock. A request was received from a gentleman in Toronto for the endorsation of the Winnipeg board for endorsation of the Winnipeg board for his appointment to the position of commercial agent in Great Britain, which position was recently created by the Canadian government. It was decided to withhold action until the Toronto board of trade was heard

should be enacted, and it was decided
the Winnipeg board was quite favorable to a Dominion insolvency law. If
one could be drafted that would meet
the accessities of the people in the
various provinces; and that the opposition of this board to all bills for
to the Canadian parliament was that
they were constructed with a view to they were constructed with a view to meet the situation in Ontario and

meet the situation. In Ontario and Quebec and were quite unsuited to the situation existing in the more sparsely settled provinces.

In answer to correspondence with the C. P. R. as to when that company would reduce their rates on grain to meet the reductions made by the Canadian Northern, a letter from the freight officials was read in which they announced finally that no re-offsettember past, and will the first of Sentember past.

duction would be made until the first of September next.

The sugar beet committee reported that they had arrenged with the Manitoba department of agriculture, that the department would have tests of sugar beet grown in five or six different parts out to reas will be made in free department would nave cester ferent parts of the province was the system. Analytic tests will be made in the fall of the sugar value of the best produced at the stations decided on. The system of the system of the sugar value of the best produced at the stations decided on. The system of th the trade and commerce of Canada. After consideration the council deeming the occasion an important one and that the Winnipeg board should be represented at the conference to express western views, decided to appoint Messrs. John Russell, president and W. Sanford Evans, as representa-

Railway and Traffic Matters.

The gross earnings of the C. P. R. for the fiscal year from July 1, 1901, to May 7, are \$31,763,343; increase, \$5,788,284.

It was reported from Chicago last week that the C. P. R. had secured control of the Wisconsin Central Rail-way, in order to obtain an entrance to Chicago.

Chicago.

It was stated in a Winnipeg daily paper last week that Mr. Whyte, of the C. P. R. had definitely stated that no new depot would be erected by his company in Winnipeg this year. This was incorrect as Mr. Whyte made no statement to that **eet.

The Canadian Pacific Railway Com-The Canadian Pacific Railway Company has placed an order with the Rogers Company, of Paterson, N. J., for four new ten-wheel locomotives to be delivered at an early date. Altogether the railway has ninety locomotives under construction to be turned out this year.

out this year.

Steel for the new Canadian Pacific Railway elevator, which the Weber Company, of Buffalo, will build at Fort William, is being imported from Germany and Scotland. It was found impossible to obtain the material in the United States, owing to the extra-ordinary demands on the mills.

ordinary demands on the mills.

There is some talk, which appears to be not without foundation, of the Canadian Pacific Railway Company organizing a new company to handle its western land grants. Business in this department has grown to such an extent that the present system is proving inadequate for the proper handling of the business.

handling of the business.

The C. P. R. will introduce its summer refrigerator service for darly products on the 29th, taking in the branch and main lines, and also to the coast and Kootenay points. This voad will also introduce a special refrigerator service for fruit and produce from Winnipeg to surrounding points, commencing on the 27th in-

following Montreal special to The following Montreal special to the New York News was published a few days ago: "It is intimated in excellent quarters here that the coming the special property of the special property of the property of have been very large, but they are kept in a special fund, and not report-ed in weekly or monthly earnings. Last month \$700,000 was realized. Last month \$700,000 was realized. The fund now amounts to more than \$7,000,000. To pay a bonus of 1 per cent, on the common would require \$650,000. The prospects are, therefore, for a 6 per cent, regular rate and 1 per cent, extra out of land sales re-

The report which was circulated by The report which was circulated by the daily papers last week that Sir Thos. Shaukhnessy, president of the C. P. R., had left Montreal to visit the west, was incorrect. He has been planning to come west, but so far has made no actual move in this direction.
