

Scientific and Useful.

**DOUGHNUTS.**  
One half cup of butter, two cups of sugar, three eggs, one pint of buttermilk, one teaspoon of soda, and flour to make a stiff dough.

**PLAIN GINGER CAKES.**  
One cup of lard, two cups of molasses, (or Orleans beat), three tablespoons of sugar, one teaspoon of salt, one teaspoon of ginger, let this heat until the lard melts, and roll.

**POTATO PUFF.**  
Two cups of cold mashed potatoes, two cups of sweet cream, two spoonfuls of melted butter, two well-beaten eggs, a little salt; mix thoroughly, put in a pan and bake in a quick oven.

**SPONGE GINGERBREAD.**  
Mr. L. A. Price sends the following: One cup of molasses, one tablespoonful of sugar or lard, and stir in as much flour as you can, then add a cup of boiling water. Dissolve a teaspoonful of soda in a tablespoonful of boiling water, add ginger and salt to your taste, beat it briskly and bake in a moderately quick oven.

**CURING HAMS.**  
A good receipt is to rub the hams with sugar and lay them in a dry place. For five or six days rub again, putting on new salt, as the old penetrates. At the end of eight or nine days apply the salt again. Use sugar only at the first rubbing. Keep the salt on them until the hams look white and the skin draws up tight; when this is the appearance the hams are ready to smoke.

**CURING CORN FODDER.**  
A method of curing partly dried corn fodder is to cut it with a fodder cutter into small pieces, and mix it with straw cut in the same manner, then pack it away in a mow, keeping it down closely. A little salt is added amongst the layers as they are packed in. When thus put up, fermentation takes place and a gentle heat is produced, which improves the straw, making it whole even and equal in flavor, so that it is readily eaten by cattle or horses. Those who have the material, the leisure, and a horse-power straw-cutter, might well prepare a quantity of fodder in this way as an experiment.—*American Agriculturist.*

**RESTORING CARPETS.**  
A tablespoonful of ammonia in one gallon of warm water will often restore the color of carpets, even if dissolved by acid or alkali. If a ceiling has been whitewashed and the carpet down, and a few drops of ammonia fall, this will remove it. Or, after the carpet is well beaten and brushed, and with a brush which will not only remove grease but freshen the colors. One half gallon in three gallons of warm water will do a large carpet. Table and floor cloths may be thus washed. The suds, after a wash, when ammonia is used, if almost cold, cleanses these new cloths well.

**BLOOD GLOBULES.**  
Blood globules are of two kinds, viz., red and white; of these, the red are by far the most abundant. The red globules present under the microscope a perfectly circular and smooth exterior. Their size is somewhat in human blood; the number of them have a transverse diameter of 1-8000 of an inch, but there are many smaller ones to be seen which are not more than 1-8500, or even 1-4000 of an inch in diameter; their form is that of a spheroid very much flattened on its opposite surfaces, somewhat like a biscuit, a thick piece of money with rounded edges.

**HYACINTHS.**  
The Garden says:—"Hyacinths may be potted from September to Christmas to be a succession of bloom." October, perhaps, generally the best time for potting. If new pots be used they should be soaked in water before placing the soil them. Five and six inch pots are the most ordinarily used. In potting one-third of the bulb should be left above the surface of the soil, and the pots should be placed on the level ground out of doors, preventing the ingress of worms through the holes at the bottom of the pots. Cover the top of each bulb with a small pot, and a whole with six inches of cinder ashes, sand or any porous material, leaving the bulb covered for at least a month, then potting them at intervals, as required, to soil frame or forcing-house. As the bulbs expand, place the pots close to the wall, give plenty of air and water, and expect from frost.

**SCHOOL-ROOM HINTS.**  
For a school-room for twenty pupils, six feet square and twelve feet high about the right size. The entire air of the room should be warmed and changed five times an hour to keep the carbonic acid down to the proper amount; nothing but this will keep the air sufficiently sweet. At the end of every hour the room should be flushed from every direction to further purify it. The bodies of young children are soft and tender, and made to grow in either a normal or abnormal shape. Now to grow normally, requires constant change of position and freedom of limb. It also requires exercise to make the blood flow and load it with fresh air. Now, confinement in a school-room, unless strict attention is given to air and exercise, prevents their free development, and causes deformity. The only remedy is to make physical culture as prominent as mental—a thing not yet done in any means in even the best schools.—*Journal of Health.*

The American and Foreign Bible Society is appointing Bible-reading collectors and distributors for the Island of San Domingo, in Mexico, and among the freedmen of the Southern States.

The Basel German Evangelical Mission South India is doing a great work for Christ. It employs 68 European missionaries, besides 86 natives; there are 5 native teachers and 84 catechists; there are 100 teachers, 2,422 children under instruction, 5,087 persons claim to be Christians, and 2,714 are communicants.

WHERE DOES IT ALL COME FROM?

Pints and quarts of filthy Catarrhal discharges, Where does it all come from? The mucous membrane which lines the chambers of the nose, and its little glands, are diseased, so that they draw from the blood its liquid, and expose to the air changes into corruption. This life-liquid is needed to build up the system, but it is extracted, and the system is weakened by the loss. To cure, gain flesh and strength by using Dr. Pierce's Golden Medical Discovery, which also acts directly upon those glands, correcting them, and apply Dr. Sage's Catarrh Remedy with Dr. Pierce's Nasal Doncho, the only method of reaching the upper cavities, where the discharge accumulates and comes from. The instrument and both medicines sold by druggists and dealers in medicines.

**A DOCTOR'S OPINION.**  
Messrs. Craddock & Co., 1082 Race Street, Philadelphia.  
You will perhaps remember that I sent for three bottles of East India Hemp about ten years ago, when I had a severe cough, and every one thought I was fast going into Consumption, especially as my physician told me I could never get well. After taking your medicine I found myself cured. I have not been feeling well, and, having good faith in the Cannabis Indica from what it did ten years ago. I again order three bottles.

Respectfully,  
HENRY B. SPANGLER.  
MONTROSEVILLE, Lycoming Co., Pa.,  
Sept. 20, 1875.

N. B.—This remedy speaks for itself. A single bottle will satisfy the most skeptical. There is not a single symptom of Consumption that it does not dissipate. \$2.50 per bottle, or three bottles for \$6.50. Pills and Ointment, \$1.25 each. Sent at our risk. Address Craddock & Co., 1082 Race Street, Philadelphia.

Special Notices.

**READ THIS TWICE.**—Five to thirty drops of THOMAS' ELECTRIC OIL, will cure common Sore Throat. It never fails in Croup. It will cure a Cold or Cough in twenty-four to forty-eight hours. One bottle has cured Bronchitis of eight years standing; recent cases are cured in three to six days. It has restored the voice where the person had not spoken above a whisper in five years. As an outward application in all cases of pain or lameness, nothing like it has ever been known. One bottle will cure any case of Lame Back or Crick in the Back. For diseases of the Spine and Contraction of the Muscles it is unequalled. In Rheumatic or any other pain the first application does you good. It stops Ear Ache and the pain of a Burn in three minutes, and is altogether the best and cheapest medicine ever offered to the people—the cheapest, because it takes so little to do you good. It is composed of six of the best oils known, and nothing but oils. Is worth its weight in gold. Why not buy it to-day?—A. B. Des Rochers, assistant postmaster, Arthursville, P.Q., writes:—"Thirteen years ago I was seized by a severe attack of rheumatism in the head, from which I have nearly constantly suffered. After having used 'Thomas' Electric Oil' for nine days, bathing the forehead, I have been completely cured, and have only used half a bottle. This I can certify under oath if you wish."—Rev. J. Mallory, of Wyoming, N.Y., writes:—"Dr. Thomas' Electric Oil cured me of Bronchitis in one week." Dealers all over the country say, "We have never sold a medicine that has given such complete satisfaction as this."

Sold by all medicine dealers. Price 25 cents. S. N. THOMAS, PHILADELPHIA, N.Y. And NORTHROP & LYMAN, Toronto, Ont., Sole Agents for the Dominion.  
NOTE—Electric—Selected and Electroized.

**MAPLE GROVE, ANCASTER.**  
Messrs. W. G. Chute & Co.  
GENTLEMEN, I feel bound by a sense of duty, and a desire to benefit my fellow-beings, to make known the wonderful effect of your Indian Rheumatic Cure has had in my case. I suffered from rheumatism for six years, and tried everything said to be beneficial without obtaining relief, and I came to the conclusion to try nothing more, but my husband hearing of your medicine wished me to try it, and with a doubting heart I tried one bottle, and I was so much relieved by it that I tried another, which completed the cure. I hope you will publish this, for these are facts, as many in this neighbourhood can testify. Hoping your medicine will reach every one afflicted, I remain, yours truly,  
Mrs. W. Scott.

Sold by All Medicine Dealers, Price, pint bottles, \$1.50. Manufactured only by W. G. Chute & Co. Hamilton, Ont. [ADVT.]
