

**CANCHALAGUA;**

FOR THE COMPLETE CURE OF Coughs, Colds, Influenza, Asthma, Bronchitis, spitting of Blood, and all other Lung Complaints tending to CONSUMPTION.

**DR. RODGERS' SYRUP OF LIVERWORT, TAR, AND CANCHALAGUA.**—This Syrup contains no Calomel, or any mineral whatever, but is composed entirely of those roots, herbs, and vegetables, which have a specific influence upon the Lungs, and their affiliated organs. Its IMMEDIATE effect is to allay all irritation and gently remove the Phlegm and other morbid secretions from the Throat and Bronchial Tubes, thus effectually relieving the Cough. It also stimulates and imparts a healthy tone to the Lungs themselves, thereby enabling them more thoroughly to remove from the blood those impurities, and diseased particles, which, if retained, do so much mischief in the system, and lay the foundation for incurable CONSUMPTION. It also exerts a decided action upon the skin, and assists nature in expelling, through the exhalants, such of that morbid matter which would otherwise be thrown back upon the Lungs. When Tubercles are forming, it checks their further development and progress; or if ulceration has taken place, it assists the Lungs in throwing off the corrupted matter, soothes the irritation, heals the diseased cavities, and restores the Lungs again to healthy action. This medicine therefore is not a palliative merely, but a thorough curative, as it strikes at the very root of the disease, and by removing thus, removes at once all its remote and attendant consequences. This is its distinguishing characteristic—a property possessed by no other medicine of like nature, now before the public.

Price.—In large bottles, \$1, or 6 bottles for \$5. For sale by S. F. URQUHART, sole Agent for Canada, 69, Yonge-street, Toronto.

**DOCTOR FOWLER, SURGEON DENTIST.**

HAS the honor of announcing his arrival in Toronto, with the intention of establishing himself in the City as a **SURGEON DENTIST.** Dr. F. feels confident that from many years' study under some of the most celebrated Surgeon Dentists in England and Scotland, and from a subsequent professional practice of Twelve Years in Britain, he will be able to give ample satisfaction to all who may honor him with their confidence. Doctor F. has for the present rented the premises No. 40, King Street, West, adjoining the Cabinet Warehouse of Messrs. Jacques & Hay, where he will be found all hours of the day, devoting himself exclusively to several branches of Dental Surgery. Toronto, July 22, 1850. 27 12m.

THE Subscriber begs to inform his friends and the public generally, that having at a considerable expense entered into arrangements with various agents in Great Britain, for the purpose of furnishing intending emigrants with the best information of Private Lands, both Cleared or otherwise, that he may have to sell or Lease, he trusts to receive that support and encouragement which the undertaking deserves, by parties possessing Lands for disposal, sending the same to him with the necessary authority, as a published monthly list will be sent to his Correspondents, by which means our emigrating Countrymen will receive that knowledge they so much require, viz:—How and in what manner they can invest their capital the instant they arrive here. As present, very little is known of the true capabilities of Canada by a large majority of the British public, the Subscriber confidently hopes that correct accounts forwarded monthly, in the proper quarters, will eventually bring many to our shores who otherwise would have gone elsewhere. **W. H. FELLOWES,** Land Agent, Toronto. July 22, 1850. 27 12m.

Writes—"I have witnessed the effects of your '**CHERRY PECTORAL**,' in my own family and that of my friends, and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs."

**HEAR THE PATIENT.** Dr. Ayer—Dear Sir:—For two years I was afflicted with a very severe cough, accompanied by spitting of blood and profuse night sweats. By the advice of my attending physician I was induced to use your **CHERRY PECTORAL,** and continued to do so till I considered myself cured, and ascribe the effect to your preparation. **JAMES RANDALL.** Hampden ss. Springfield, Nov. 27, 1848.

This day appeared the above named James Randall, and pronounced the above statement true in every respect. **LORENZO NORTON,** Justice.

**THE REMEDY THAT CURES.**

Portland, Me., Jan., 10, 1847. Dr. Ayer:—I have been long afflicted with *Asthma* which grew yearly worse, until last autumn, it brought on a cough which confined me in my chamber, and began to assume the alarming symptoms of consumption. I had tried the best advice and the best medicine to no purpose, until I used your **CHERRY PECTORAL,** which has cured me, and you may well believe me.

Gratefully yours, **J. D. PHELPS.** If there is any value in the judgment of the wise, who speak from experience, here is a medicine worthy of the public confidence. Prepared by **J. C. AYER,** Chemist, Lowell, M. S.

**PROFESSOR A. C. BARRY'S**

**Tricopherous or Medicated Compound**

When Theory and Comment authenticate each other, there can be no mistake. This is the case as regards **BARRY'S Tricopherous.** The theory of its operations is this:—That it is imbued by the absorbents, and injected through the superficial vessels promoting the growth, beauty, and health of the Hair, when applied to the scalp, and dissipating inflammation of every kind, (whether caused by disease or accidental,) when applied to the pimples, blotched, tumorous, punctured, cut, burned, scalded, or in any way irritated skin. It is also assured that it acts upon the pores, those ventilators and escape pipes of the system, and assists to dispel the malarious elements of disease through these important channels. So much for Theory. Experiment proves that the article is an invaluable remedy for all external hurts and diseases, and that as a preparation for renewing the vegetative power of the hair, giving it a rich metallic lustre, rendering it classic and curly, and removing scurf and dandruff, it has no equal either in Europe or America, while in cheapness it certainly stands alone. Sold in large bottles, price 1s. 9d., at the principal office, 137 Broadway, New York. Also by the principal Merchants and Druggists in the United States and Canada; and by **WILLIAM BAILEY,** Hair Cutter, Wig Maker, &c., King Street, Toronto.
