COMMERCIAL ACADEMY, Under the Direction of the Christian Brothers, 35 St. Margaret Street, Montreal PROSPECTUS.

THE Above Institution will be opened on the FIRST OF SEPTEMBER, 1873, in the spacious and commodious house heretofore known as the "Bishop's School," which has been thoroughly repaired and elegantly furnished for the purpose. In accepting the charge of this Academy, the Christian Brothers, wishing to be as useful as possible to the youth of Montreal, do but accede to the earnest solicitation of his Lordship the Bishop of Montreal, of his most worthy Coadjutor, Mgr. E. C. Fabre, and many other influential citizens, who, on several occasions, manifested the desire of seeing them open a School in which young students could follow a full commercial and mathematical course. They anxiously hope that their Academy will afford ample means of providing a perfect knowledge of commerce in all its branches, and thus enable young men to prepare themselves for the counting-room. Nothing so far has been spared to obtain this desirable end. The course of studies pursued in the Academy will be divided into two departments: the Preparatory and Commercial. The English language will be the language of the Institution; but the French being a necessary qualification, especially in the Province of Quebec, for every young man who embraces the mercantile profession, particular attention will be paid thereto, and daily lessons given by a special Professor.

TELEGRAPHY.

YOUNG MEN AND LADIES desiring to qualify for the numerous situations which will soon be offered on the several Telegraph Lines, are invited to attend at the Dominion Telegraph Institute, No. 75 St. James Street. The mode of instruction followed in this Institute has received the approval of the highest authorities in the country, and the best proof we can offer is that all the new situations filled within the last two or three years have been so filled by pupils from this Institute. As to the success of the method followed here, read the following testimony: "COOKSHIER, 1st December, 1872. 'To Mr. MORGAN, Proprietor of the Dominion Telegraph Institute: 'Sir,—I hereby certify that only eight weeks' study and practice in the DOMINION TELEGRAPH INSTITUTE has enabled me to receive messages at the rate of 23 words a minute, and that I consider the mode of instruction followed as excellent. 'Yours, etc.,' S. J. OSGOOD." The regular course is three months; but, as will be seen by the above testimony, intelligent persons can qualify in much less time. Proficient pupils have the advantage of practising on a regular line, and of being placed on a large circuit. The terms for the course is THIRTY DOLLARS, the use of the instruments included. All the necessities of the school are now and complete. J. V. MORGAN, Proprietor. 5-3 5f 75 ST. JAMES STREET, MONTREAL.

CERTIFICATE FROM MR. ALFRED KNUCKLE, American House, St. Joseph Street.

MONTREAL, March 7th, 1872. DEAR SIR,—I was afflicted during the beginning of this winter with a most severe COLD, attended with incessant COUGHING and DIFFICULTY OF BREATHING, which reduced me so low that many persons supposed I could never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit from anything until I commenced using your "HOARHOUD AND CHERRY BALSAM," which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED KNUCKLE. Mr. RICHMOND SPENCER, Chemist, corner of McGill and Notre Dame Streets.
