

For all pains in the stomach and bowels, colic, diarrhoea, dysentery, cholera, or cholera morbus, as well as all pains and suppressions to which ladies are subject from taking cold at a critical period, take Dr. Pierce's Compound Extract of Smart-Weed, or Water-Pepper. It is a most positive specific in all such ailments. Used externally as an embrocation, it is a most valuable application for all sprains and bruises, frost-bites, chilblains, felons, rheumatic affections, scalds, burns, cuts, neuralgia, pain in back, soreness or stiffness of joints, stings and bites of poisonous insects and reptiles, caked breast, or "ague in breast," and enlarged glands, - in short, it is an unexcelled liniment for man and beast. It is sold by all respectable dealers in medicines.

MANY PEOPLE THINK that if they have a slight cold or cough, the best thing they can do is to do nothing, but simply let it wear off. It is the indulgence in this fearfully erroneous idea that makes the dread scourge of Consumption so frightfully common - so common, that it is estimated that war is as nothing, and pestilence a bagatelle compared to it. Never neglect a cold till too late, but use Wingate's Pulmonic Troches, which give immediate relief. Sold everywhere for 25 cents. 13-1-52

THE WEEKLY SUN. 1776. NEW YORK. 1876.

Eighteen hundred and seventy-six is the Centennial year. It is also the year in which an Opposition House of Representatives, the first since the war, will be in power at Washington; and the year of the twenty-third election of a President of the United States. All of these events are sure to be of great interest and importance, especially the two latter; and all of them and everything connected with them will be fully and freshly reported and expounded in THE SUN. The Opposition House of Representatives, taking up the line of inquiry opened years ago by THE SUN, will sternly and diligently investigate the corruptions and misdeeds of GRANT'S administration; and will, it is to be hoped, lay the foundation for a new and better period in our national history. Of all this THE SUN will contain complete and accurate accounts, furnishing its readers with early and trustworthy information upon these absorbing topics. The twenty-third Presidential election, with the preparations for it, will be memorable as deciding upon GRANT'S aspirations for a third term of power and plunder, and still more as deciding who shall be the candidate of the party of Reform, and as electing that candidate. Concerning all these subjects, those who read THE SUN will have the constant means of being thoroughly well informed. THE WEEKLY SUN, which has attained a circulation of over eight thousand copies, already has its readers in every State and Territory, and we trust that the year 1876 will see their numbers doubled. It will continue to be a thorough newspaper. All the general news of the day will be found in it, condensed when unimportant, at full length when of moment; and always, we trust treated in a clear, interesting and instructive manner. It is our aim to make THE WEEKLY SUN the best family newspaper in the world, and we shall continue to give in its columns a large amount of miscellaneous reading, such as stories, tales, poems, scientific intelligence and agricultural information, for which we are not able to make room in our daily edition. The agricultural department especially is one of its prominent features. The fashions are also regularly reported in its columns; and so are the markets of every kind. The WEEKLY SUN, eight pages with off - sets from 1 column, is only \$1.20 a year, postage prepaid. At this price largely repays the cost of the paper, no discount can be made from this rate to clubs, agents, Postmasters, or anyone. The Daily Sun, a large four page newspaper of twenty-eight columns, gives all the news for ten cents a copy. Subscription, postage prepaid, \$6 a month or \$6.50 a year. Seventh edition extra, \$1.10 per year. We have no traveling agents. 12-22 G-251. Address, THE SUN, New York City.
