

The Wonder of the Musical World

—Music's Re-Creation

Christine Miller, proving by direct comparison that her mellow, appealing voice is perfectly Re-Created by Mr. Edison's latest and greatest wonder—

The NEW EDISON

—The Phonograph With a Soul—

—The Instrument That Re-Creates All Forms of Music.

The New Edison is the only instrument which will reproduce an artist's performance so perfectly that the reproduction cannot be distinguished from the original.

Some of the greatest artists of the musical world have already appeared in public, singing and playing in direct comparison with the New Edison. This is the supreme test of music's Re-Creation.

We will arrange a special Edison concert for you and your friends. Call or write us about it.

Send to us for a copy of the brochure, "Music's Re-Creation," and the booklet "What the Critics Say."
