Gentlemen

I have carefully examined the sample of your Hand Made sour mash "Whiskey" Cup 1874 sent me by you, I now report it to be free from fusel oil, and all others exhalant compounds injurious to health; and that it is in every respect a sample of a choicest spirit, and of such a nature as I can recommend for use medicinally when an alcoholic stimulant is indicated.

As I give you permission to publish this certificate, I reserve to myself the right to analyse and report upon samples from time to time purchased by myself for comparison with standard samples which I return.

I am, Gentlemen

Yours truly
